For purposes of this Avigation Easement, the term "aircraft" shall mean any contrivance now known or hereafter invented, used or designed for navigation or flight in the air.

5. This Avigation Easement is for the use of such airspace by any aircraft during operations at, on, to or from SDIA, present or future, in whatever form or type, including any future change to or increase in the SDIA's boundaries and/or in the volume or pattern of aircraft traffic or aircraft noise, by all existing or future types of aircraft, up to and including a full calendar year Community Noise Equivalent Level (CNEL). 7. In furtherance of this Avigation Easement, and rights herein granted, Grantor(s), and the heirs, agents, successors, and assigns of Grantor(s), hereby covenant at all times hereafter, that it/they will not take any action, cause or allow any electronic or other transmissions or emissions, or construct or grow any obstruction on the Subject Property which would conflict or interfere with or infringe on the Authority's rights herein granted.

8. Subject to the provisions set forth above in paragraph number 5, the rights, easements, benefits, restrictions, covenants and agreements granted herein, including this Avigation Easement, shall continue notwithstanding any increase or other change in the boundaries, volume of operations, noise, or pattern of air traffic at SDIA.. This Avigation Easement may not be modified, amended, terminated, or abandoned except by execution and delivery of an instrument executed and acknowledged by the Authority, or its agents, successors, and assigns, and Grantor(s) agree(s) that, in the absence of such an instrument, no conduct by the Authority, or its agents, successors and assigns, or increase, diminution, or change in use of this Avigation Easement, shall constitute an overburdening of this Avigation Easement or a termination or abandonment of this Avigation Easement.

9. The parties to this Avigation Easement acknowledge and agree that the easement, and all the rights, easements, benefits, restrictions, covenants and agreements set forth herein shall run with the land of the Grantor(s) and the Airport Authority, and any grantee, heir, agent, successor or assign of the Grantor(s) who acquires any estate or interest in or right to use the Subject Property shall be bound by this Avigation Easement for the benefit of SDIA and the Airport Authority, and its agents,

successors and assigns, including, without limitation, the tenants and licensees of the Airport Authority, and all users of SDIA.

10. Grantor(s), and the grantees, heirs, agents, successors, and assigns of Grantor(s), hereby fully waive and forever release, and covenant not to assert or bring any right or cause of action, which it or they might now have, or which it or they may have in the future, against the Airport Authority, its agents, successors, and assigns, or against the tenants, permittees, licensees, or users of SDIA, caused by or relating to the use of this Avigation Easement or the exercise of rights under this Avigation Easement.

12. In the event that any one or more covenant, condition, right or other provision contained in this Avigation Easement is held to be invalid, void or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Avigation Easement and shall in no way affect, impair, or invalidate any other covenant, condition, right or other provision contained in this Avigation Easement.
