Subject:

Appointment to the Southern California Association of Governments Aviation Task Force

Recommendation:

Adopt Resolution No. 2018-0140, making an appointment to the Southern California Association of Governments Aviation Task Force.

Background/Justification:

The Southern California Association of Governments (SCAG) was founded in 1965, and is a Joint Powers Authority under California state law, established as an association of local governments and agencies that voluntarily convene as a forum to address regional issues. Under federal law, SCAG is designated as a Metropolitan Planning Organization (MPO) and under state law as a Regional Transportation Planning Agency and Council of Governments.

SCAG's mission statement:

"To foster innovative regional solutions that improve the lives of Southern Californians through inclusive collaboration, visionary planning, regional advocacy, information sharing, and promoting best practices."

SCAG develops long-range regional transportation plans including sustainable communities' strategy and growth forecasts components, regional transportation improvement programs, regional housing needs allocations and a portion of the South Coast Air Quality management plans. The SCAG region encompasses six counties (Imperial, Los Angeles, Orange, Riverside, San Bernardino and Ventura) and 191 cities in an area covering more than 38,000 square miles. Additionally, six County Transportation Commissions hold the primary responsibility for programming and implementing transportation projects, programs and services in their respective counties. The agency annually develops an Overall Work Program (OWP), which describes proposed transportation planning activities for the upcoming fiscal year. Transportation, planning activities and studies required by federal and state law and authorized by the Regional Council, which consist of 86 members, are also included in the OWP.

SCAG is currently in the process of putting together a policy-oriented task force to address regional aviation policy issues. The Aviation Task Force (ATF) will be comprised of elected officials and members of airport governing bodies. SCAG President Alan Wapner is spearheading this effort. The ATF is a separate entity and effort from the SCAG Aviation Technical Advisory Committee.

SCAG has reached out to Authority to invite a Board Member representative from the San Diego County Regional Airport Authority to participate on the ATF. The ATF will be comprised of policy makers and board members from the six counties who are part of

Page 2 of 2

SCAG as well as to SAN and Tijuana Airports. The goal is to participate in regional planning initiatives for the aviation system as the region experiences unprecedented growth. The meeting times and dates are yet to be determined.

Pursuant to California Code Regulation Section 18702.5, *Materiality Standard: Financial Interest in a Personal Financial Effect*, the Authority is now required to post on its website, an F.P.P.C. Form 806 (See Exhibit A), listing all paid appointed positions on boards, committees, or commissions of a public agency, prior to the appointments being made.

Fiscal Impact:

Legislation limits compensation for Board Members to \$200 per day of service, with a maximum of eight (8) days per month. Adequate funds for Board Member compensation are included in the Authority Board Department adopted FY 2019 and conceptually approved FT 2020 Operating Expense Budgets.

This item supports one or more of the Authority Strategies, as follows:

Community Strategy Customer Strategy Employee Strategy Financial Strategy Operations Strategy

Environmental Review:

A. CEQA: This Board action is not a project that would have a significant effect on the environment as defined by the California Environmental Quality Act ("CEQA"), as amended. 14 Cal. Code Regs. §15378. This Board action is not a "project" subject to CEQA. Cal. Pub. Res. Code §21065.

Information contained herein is confidential. Prices are provided by IDC, an independent pricing source. In the event IDC does not provide a price or if the price provided is not reflective of fair market value, Chandler will obtain pricing from an alternative approved third party pricing source in accordance with our written valuation policy and procedures. Our valuation procedures are also disclosed in Item 5 of our Form ADV Part 2A.

Performance results are presented gross-of-advisory fees and represent the client's Total Return. The deduction of advisory fees lowers performance results. These results include the reinvestment of dividends and other earnings. Past performance may not be indicative of future results. Therefore, clients should not assume that future performance of any specific investment or investment strategy will be profitable or equal to past performance levels. All investment strategies have the potential for profit or loss. Economic factors, market conditions or changes in investment strategies, contributions or withdrawals may materially alter the performance and results of your portfolio.

Index returns assume reinvestment of all distributions. Historical performance results for investment indexes generally do not reflect the deduction of transaction and/or custodial charges or the deduction of an investment management fee, the incurrence of which would have the effect of decreasing historical performance results. It is not possible to invest directly in an index.

Fixed income investments are subject to interest, credit and market risk. Interest rate risk: the value of fixed income investments will decline as interest rates rise. Credit risk: the possibility that the borrower may not be able to repay interest and principal. Low rated bonds generally have to pay higher interest rates to attract investors willing to take on greater risk. Market risk: the bond market in general could decline due to economic conditions, especially during periods of rising interest rates.

Ratings information have been provided by Moody's, S&P and Fitch through data feeds we believe to be reliable as of the date of this statement, however we cannot guarantee its accuracy.

Security level ratings for U.S. Agency issued mortgage-backed securities ("MBS") reflect the issuer rating because the securities themselves are not rated. The issuing U.S. Agency guarantees the full and timely payment of both principal and interest and carries a AA+/Aaa/AAA by S&P, Moody's and Fitch respectively.

SAN DIEGO TRADE MISSION – TOKYO, JAPAN
CITIES OF THE FUTURE
NOVEMBER 11-15, 2018

GOAL: Leverage long-term connectivity with the Japanese market in order to create new business opportunities in the defense, life sciences, and robotics industries, and continue to position the San Diego region as a global innovation hub. Core delegation will be comprised of approximately 20-25 of the region's top level business executives, trade representatives and academics, led by Congressman Scott Peters (confirmed) and California State Senate President, Toni Atkins (invited).

WHY: Japan is San Diego County's top source of foreign direct investment, accounting for nearly 12,000 local jobs across 407 firms. Since Japan Airlines began its non-stop, daily service from the San Diego Airport to Tokyo's Narita Airport in 2012, both San Diego and Japan have come to enjoy economic success and an influx of visitors, all who've added to the prosperity of both regions. Anchored by largescale investments by multinationals like Kyocera and Takeda, San Diego's ties to Japan have been deepened in recent years by the opening of Biocom and UCSD offices in Tokyo, Kyoto University's establishment of a satellite campus in La Jolla, and new flows of capital, firms, and exports in high tech industries. New advancements in robotics, AI, biotech and defense on both sides of the Pacific are creating new opportunities for partnerships between San Diego and one of its most important markets.

(a) Responsibilities of Administrator. An Administrator, in approving a request for reimbursement of business expenses, is responsible for ensuring that such request meets the requirements of this policy. (c) The original, itemized, detailed receipts must be provided in all reimbursement requests. Each receipt must be imprinted with the name of the business and date. All other employee reimbursement requests and corresponding payments are subject to subsequent audit by the Authority on an annual basis. If an audit determines that reimbursements have been inappropriately made, then the Authority may retroactively disallow

such reimbursements and the Board member or employee will be required to reimburse the Authority for such amounts.

(10) Biannual Review of Policy. The President/CEO shall have this policy reviewed for currency, applicability, and appropriateness every two (2) years. On completion of each review, the results of the review with recommendations for revision shall be presented to the Board.

POLICY STATEMENT:

(1) Objectives. The objectives of this policy are to:

(a) Comply with applicable provisions of section 170017(d) of the San Diego County Regional Airport Authority Act, as amended, which provides that Board members may be paid for actual and necessary traveling expenses incurred while on official business;

(b) Ensure that the travel expenses of Board members and employees are reasonable, cost-effective and necessary for the Authority’s business;

(c) Identify the conditions under which and the procedures by which Board members and employees may be reimbursed for authorized travel expenses;

(d) Ensure that Board members and employees are reimbursed on a timely basis for all appropriate travel expenses that they incur; and

(e) Incorporate applicable provisions of Government Code § 53232.2 – 53232.3.

(2) General Travel Reimbursement Provisions.

(a) Board members and employees may be reimbursed for actual, necessary, and reasonable travel expenses incurred in connection with a meeting on matters directly affecting the interests of the Authority when such meeting is with a member of the legislative, executive or judicial branch of the federal government, state government or local public agency; or is with an official of a business entity with whom the Authority currently has or has significant potential to be in a contractual relationship; or is demonstrably and directly related to the business of the Authority or operations of the airport. Necessary expenses are those that are helpful and appropriate for the advancement of the business interests of the Authority. The reasonableness of a particular expense shall be determined by considering all facts and circumstances associated with the expense and the potential benefit to the Authority.

(i) *Board Member and Employee Travel by Commercial Air Carrier.* When traveling by commercial air carrier on official Authority business, Board members and employees shall use government or group air travel rates when such rates are offered by a commercial air carrier. When government or group rates are not available, Board members and employees shall be reimbursed at a rate not to exceed the prevailing applicable coach rate for domestic travel and the prevailing rate for one class above the coach rate for non-domestic travel when the scheduled flight time exceeds six hours.

(ii) *Board Member and Employee Travel by Means Other Than Commercial Air Carrier.* When traveling by means other than commercial air carrier, Board members and employees may be reimbursed for the actual transportation costs except for travel by personal vehicle where reimbursement shall be at the current mileage rate as published by the Internal Revenue Service (“IRS”). In no event shall the reimbursement of transportation expenses exceed the prevailing applicable rate for coach-class air travel.

(iii) *Travel Per Diem for Board Members.* When traveling on official Authority business, Board members may be reimbursed for the actual cost of lodging, meals, and necessary incidental travel-related expenses which shall not exceed the then stated per diem rate established that year by the U.S. General Services Administration (“GSA”) for destinations within the United States and the U.S. Department of State Bureau of Administration for international destinations. If the lodging is in connection with a conference or organized educational activity conducted in compliance with subdivision (c) of Government Code §54952.2, including, but not limited to, ethics training required by §53234 et seq., lodging costs shall not exceed the maximum group rate published by the conference or activity sponsor, provided that lodging at the group rate is available to the member of a legislative body at the time of booking. If the group rate is not available, the Board member shall use comparable lodging at comparable rates.

(iv) *Travel for Employees.* When traveling on official Authority business, employees may be reimbursed for the actual cost of necessary lodging, meals, and incidental travel-related expenses. Employees shall use available government and/or group rates for travel and lodging. (e) The Travel Expense Report should be submitted to the Administrator within a reasonable amount of time, but no later than thirty (30) days after the completion of the out-of-town travel.

(f) All domestic travel advances must be cleared no later than thirty (30) days after the completion of the domestic travel, and all international travel advances must be cleared no later than forty-five (45) days after the completion of the international travel.

(g) Should a Board member or employee owe the Authority for a portion of any unused travel advance, the Board member or employee must pay to the Authority the unused portion by cash or personal check. Failure to account for travel advances within the required 30-day period may result in the suspension of privileges to obtain further advances.

(h) All reimbursement requests shall be in U.S. dollars, with sufficient supporting documentation for any corresponding currency conversion rates for expenses incurred outside of the United States.

(3) Administrator Pre-approval of Travel Requests and Approval of Reimbursement Requests. Reimbursement of travel expenses requires a responsible officer of the Authority (the "Administrator") to pre-approve the travel and to review and approve the reimbursement of travel expenses in the manner set forth in this policy.

(a) Responsibilities of Administrator. An Administrator, in authorizing a travel request or approving a request for reimbursement of incurred travel, is responsible for ensuring that each such request meets the requirements of this policy. In discharging this responsibility, the Administrator shall review the request and supporting documentation to determine whether or not the request conforms to the standards and specifications in this policy. (5) Confirm that each reimbursement request is accompanied by the documentation required by this policy;

(6) Verify that the documentation for each expense that is unusual in nature and/or amount adequately supports the reasonableness and necessity of the expense;

(7) Reject those expenses that are not consistent with this policy; and

(8) For those expenses that are approved for reimbursement, provide written certification that the Administrator, based on reasonable inquiry, believes such expenses were reasonable, necessary, and directly related to the Authority’s business.

(b) Designation of Administrator. As used in this policy, the appropriate Administrator shall be designated in the below table. No Administrator may approve the reimbursement of a travel or business expense that directly benefits the Administrator.

Board members and employees who cancel an out-of-town trip must return any travel advances no later than five (5) days after the date of such cancellation. If for some reason a Board member or employee is incapacitated, then a reasonable amount of time will be given to return any travel expenses.

All other employee reimbursement requests and corresponding payments are subject to subsequent audit by the Authority on an annual basis. If an audit determines that reimbursements have been inappropriately made, then the Authority may retroactively disallow such reimbursements and the Board member or employee will be required to reimburse the Authority for such amounts.

(9) Biannual Review of Policy. The President/CEO shall have this policy reviewed for currency, applicability, and appropriateness every two (2) years. On completion of each review, the results of the review with recommendations for revision shall be presented to the Board.

EXECUTIVE COMMITTEE

Meeting Date: **DECEMBER 20, 2018**

Subject:

Review Proposed Amendments to Authority Codes and Policies

Recommendation:

Review proposed amendments, provide possible direction to staff, and forward to the Board with a recommendation for approval.

Background/Justification:

The Authority Codes and Policies were initially adopted by the Interim Authority Board on September 20, 2002. Since 2003, the year the San Diego County Regional Airport Authority ("Authority") was formed and began operating San Diego International Airport ("Airport") and acting as the Airport Land Use Commission, there has not been a comprehensive and thorough review of the Authority's Codes and Policies.

Staff initiated a review of the codes and policies in order to ensure that they reflect the current operations of the Airport and Authority, and are accurate and consistent with applicable Federal, State and local laws and regulations. Amending the codes will also provide alignment with Airport Rules and Regulations.

In order to perform a thorough review, departments and stakeholders responsible for compliance with the requirements of individual codes and policies conducted a thorough review and recommended revisions, an Executive Project Team consisting of Two Vice Presidents was created to review all proposed amendments and the General Counsel's Office reviewed all proposed amendments.

Staff will be presenting amendments to the Executive Committee for review at upcoming Executive Committee meetings prior to forwarding them to the Board for approval. We anticipate that it will take approximately 4 workshops for the Committee to complete its review of all proposed amendments.

ARTICLE 5 - CONTRACTING AND DEBARMENT
PART 5.0 - CONTRACTING AND PURCHASING
SECTION 5.04 - COOPERATIVE PURCHASING

PURPOSE: To ~~establish a policy to allow~~ ~~permit~~ the Authority to use the competitively awarded purchasing contracts of other public agencies for the acquisition of supplies, materials, equipment, information technology, ~~or~~ services, ~~including or~~ public projects. The use of this alternative contracting method provides the Authority with the ability to reduce the cost of purchasing supplies, materials, equipment, information technology ~~and~~ services ~~or~~ Public Projects or Maintenance Work ~~[KL]~~ by pooling the purchasing power of more than one public agency or by avoiding the expenses of conducting its own individual competitive process.

POLICY STATEMENT:

(1) The San Diego County Regional Airport Authority Act (Public Utilities Code Section 170040) states that the Authority “may contract with any department or agency of the United States, with any state or local governmental agency, or with any person upon whose terms and conditions that the Authority finds are in its best interests.” Government Code Section 6500 *et seq.*, provides that public agencies by agreement may jointly exercise any power common to the contracting parties, even though one or more of the parties may be located outside the State of California.

(2) The procurement of supplies, materials, equipment, information technology ~~or~~ ~~and~~ services is governed by Policy Section 5.01. The procurement of public projects and maintenance work is governed by Policy Section 5.02. In some instances, however, the Authority shall be allowed to enter into a cooperative procurement arrangement, joint powers agreement or other agreement to purchase supplies, materials, equipment, information technology or services ~~including and~~ public projects and maintenance work as long as a competitive selection process was used by the other public agency to secure the underlying contract for the supplies, materials, equipment, information technology ~~or~~ services or public project.

(3) In accordance with Public Utilities Code Section 170040 and Government Code Section 6500 *et seq.*, the Authority is ~~hereby~~ authorized to use cooperative procurement arrangements, joint powers agreements or other agreements for the purpose of combining resources to increase efficiency or reduce administrative expenses in the purchase of supplies, materials, equipment, information technology ~~or~~ services ~~or~~ public projects or maintenance work.

(iv) To review the plans, regulations and other actions of Local Agencies and Airport Operators pursuant to the requirements of P.U.C. §21670.3 and §21676.

(d) Conflicts of Interest. Any member of the Authority's Board (the "**Board**") shall temporarily disqualify himself or herself from participating in the review or adoption of a proposal or ALUCP, if there is a conflict of interest pursuant to P.U.C. §21672, other applicable state law, and/or a violation or potential violation of the Authority's Conflicts of Interest Code.

(e) Schedule of Fees. The Authority may establish a schedule of fees necessary to comply with Article 3.5 of Chapter 4 of Part 1 of Division 9 of the P.U.C. Those fees shall be charged to the proponents of actions, regulations or permits and shall not exceed the estimated reasonable cost of providing the service. The fees shall be imposed pursuant to California Government Code ("Gov. Code") §66016. The Authority may not charge fees for actions in connection with any Airport that does not have an adopted ALUCP.

(f) Amendments, Termination or Suspension. This policy may be amended, terminated or suspended only by official and duly noticed action of the Board. The Board may, in its sole and exclusive exercise of its full legislative discretion, amend, terminate, or suspend this policy at any time.

(g) Partial Invalidity. In the event that any court of competent jurisdiction determines that any portion or provision of this policy is invalid, illegal or unenforceable, or temporarily enjoins enforcement or application of any portion or provision of this policy, all other provisions of this policy shall remain enforceable and in effect unless and until revoked, suspended or modified by the Authority.

(h) No Waiver or Creation of Implied Policy of Enforcement. Neither any (i) failure of the Authority to take any act or action in strict enforcement of this policy, inadvertent or otherwise, nor (ii) affirmative waiver of enforcement of this policy by the Authority in a specific instance after consideration of special requests or circumstances, shall be deemed to constitute the establishment of any express or implied policy of the Authority in the enforcement or non-enforcement of this policy, and shall not be relied upon by any person in making any determination, or taking any action, in violation of any provision of this policy.

(2) Airport Land Use Compatibility Plan.

(a) ~~Purpose of Airport Land Use Compatibility Plan.~~ The ALUCP is the fundamental tool used by the Authority in fulfilling its purpose of promoting Airport land use compatibility. Specifically, compatibility plans have two purposes: (i) to provide for the orderly growth of each Airport and the area surrounding each Airport within the jurisdiction of the Authority; and (ii) to safeguard the general welfare of the inhabitants within the vicinity of each Airport within the jurisdiction of the Authority and the public in general.

(b) ~~Preparation of Airport Land Use Compatibility Plan.~~ The Authority shall be responsible for the preparation of an ALUCP for each Airport within the County. The ALUCP shall provide for the orderly growth of each Airport and the area surrounding each Airport within the Authority's jurisdiction, and shall provide policies to safeguard the general welfare of the inhabitants within the vicinity of each Airport and the public in general, as required by P.U.C. §21675. The ALUCP that is adopted by the Authority shall include and shall be based on a long-range Airport Master Plan or an Airport Layout Plan, where available, that reflects the anticipated growth of such Airport during at least the next twenty (20) years. In preparing an ALUCP, the Authority may develop height restrictions on buildings, specify use of land and determine building standards, including soundproofing adjacent to Airports within the planning area. The ALUCP also may identify where additions or changes to local jurisdictions' general and specific plans will be necessary. The ALUCP also should include a clear statement of compatibility criteria and Authority review procedures.

The Authority shall also include within the ALUCP, the area within the jurisdiction of the Authority surrounding any military Airport for all of the purposes identified above. The ALUCP provisions shall be consistent with the safety and noise standards in the Air Installation Compatible Use Zone ("AICUZ") prepared for that military Airport. The Authority does not have, however, any jurisdiction or authority over the territory or operations of any military Airport.

The Authority shall submit to the Division of Aeronautics of the California Department of Transportation one (1) copy of the ALUCP and each amendment to the ALUCP.

(c) ~~Amendments to Airport Land Use Compatibility Plan.~~ The ALUCP shall be reviewed as often as necessary in order to accomplish its purposes, but shall not be amended more than once in any calendar year. For an ALUCP that pertains to more than one Airport in the County, this limitation allows separate amendments for the portion dealing with each individual Airport. Any policies applicable to all Airports in the Authority's jurisdiction shall be amended only once during a calendar year. Coordination with local jurisdictions shall be conducted prior to the approval of any ALUCP amendments.

A periodic review of the ALUCP shall be conducted in order to keep the ALUCP up to date with changes in state laws, local land uses, Airport development and activity, and current concepts for achieving noise and safety compatibility.

(d) Adoption of Airport Land Use Compatibility Plan and Amendments. The ALUCP and any amendments shall be approved and adopted by the Authority, and shall constitute the Authority's recommendation to the Local Agency for compatible land uses within the Airport Influence Area. Prior to adopting each ALUCP or amendment, the Authority shall engage in a public collaborative planning process and hold a public hearing consistent with this policy. [P.U.C. §21670.3(b)]

(3) Authority Review of Local Actions.

(a) Overview. One of the fundamental responsibilities of the Authority is the review of Local Agencies' land use plans, Airport plans and certain other land use projects and actions for compliance with the criteria and policies set forth in the applicable ALUCP. The process that the Authority shall follow for this review process depends upon the following three (3) factors: (i) the type of local action involved; (ii) whether a compatibility plan exists for the Airport; and (iii) what action the Local Agency has taken with regard to making its general plan consistent with the Authority's ALUCP.

(b) Authority Review Requirements. Local Agencies must refer certain actions to the Authority for review. Referral of other local actions, primarily individual development projects, is required in some instances, but voluntary in others.

(i) Actions For Which Authority Review Is Mandatory.

(A) General Plans and Specific Plans. Any proposal by a Local Agency to adopt a general plan or specific plan shall be referred to the Authority for review, if the boundaries of the plan are within the Airport Influence Area of an Airport, irrespective of whether an ALUCP has been adopted for the Airport. If an ALUCP has not been adopted, then the Airport Influence Area is defined to mean the study area for such plan or the land within two (2) miles of the Airport boundary pursuant to P.U.C. §21675.1(b). Amendments to such plans also shall be referred to the Authority, if the change affects locations within an Airport Influence Area. In such instances, referral shall take place prior to the Local Agency's action to adopt or amend the plan consistent with the requirements of P.U.C. §21676(b).

The requirement for submittal of general plans and specific plans exists regardless of whether a proposal is initiated by the Local Agency to adopt or amend a general or specific plan or whether a proposal is initiated based upon the requirement for the Local Agency's plans to be reviewed for consistency with an ALUCP that is newly adopted or amended by the Authority. California Gov. Code §65302.3 requires Local Agencies to either amend their general plans and any affected specific plan to be consistent with the Authority's ALUCP within one-hundred eighty (180) days of when the Authority adopted or amended its ALUCP, or take the steps necessary to overrule the Authority.

(B) Ordinances and Regulations. Authority review of Local Agency proposals to adopt or amend Zoning, building, and other land use ordinances and regulations shall be required in instances where those ordinances and regulations have implications for Airport land use noise or safety compatibility pursuant to the requirements of P.U.C. §21676(b).

(C) Airport Plans. The Authority shall require a mandatory review of Airport Master Plans, construction plans for new Airports and Airport expansion plans (including the construction of a new runway, the extension or realignment of an existing runway and the acquisition of Runway Protection Zones or any interest in land for purposes of safety) for consistency with the adopted ALUCP for that Airport pursuant to the requirements of P.U.C. §21676(c), §21661.5 and §21664.5, respectively.

(ii) Other Actions Subject to Authority Review.

(A) Individual Land Use Development Projects. The Authority shall require a mandatory review of all actions, regulations and permits involving the vicinity of an Airport within the Authority's jurisdiction under any of the following circumstances: (i) prior to the Authority adoption of an ALUCP for an Airport; and (ii) when a Local Agency has neither revised its general plan or specific plan to be consistent with the Authority's ALUCP nor overruled the Authority with regard to the ALUCP pursuant to the requirements of P.U.C. §21675.1(b) and §21676.5(a).

The Authority requests that, even when the Authority has adopted an ALUCP for an Airport and the Local Agency has revised its general plan or specific plan to be consistent with the Authority's ALUCP, the Local Agency continue to submit major land use actions for review, including, but not limited to, large developments where site design and other factors, such as building height, have potential compatibility implications, even when the overall development may be acceptable. The Authority's project review on these types of non-mandatory project submittals shall be advisory in nature.

(B) Ministerial Permits. Ministerial permits involving a change in land use, an increase in density or intensity, or height, which may have implications for airport land use compatibility factors, ~~shall may~~^[RSP5]~~[RT6]~~ be subject to Authority review in the same manner as discretionary projects.

(C) CEQA Documents. The Authority is not a Responsible Agency for the purposes of the California Environmental Quality Act ("**CEQA**") ~~for land use development projects, ordinances and regulations or general specific plans and therefore is not legally required to respond to a CEQA document.~~ ~~The Authority's sole responsibility is to make a compatibility determination regarding the project that is the subject of the Environmental Documentation. However, the Authority has the right and authority to provide comments to the Lead Agency to help ensure the highest level of compatibility.~~^[RSP7]~~[RT8]~~

(c) Information Required for Project Reviews. Requests by Local Agencies to the Authority for project review shall be submitted in writing. Requests shall state fully and fairly the reason for the referral and shall include the names, addresses and telephone numbers of all applicants, project location and assessor's parcel number, a detailed project description, site plans, maps, heights of buildings, any Environmental Documentation and any other material necessary to fully understand the matter for which a project review is being requested. Applicants must include this information on the form entitled "Application for ALUC Determination of Consistency," available at the Authority's offices. The Authority reserves its right to request additional information and documents regarding any project submittal.

In addition to the material required to be submitted, the Authority may require the submittal to include the appropriate fees associated with the request for project review. These fees shall not exceed the estimated cost of providing service and shall be consistent with any schedule of fees established by the Authority pursuant to this policy.

(d) Determination Requirements. The Authority shall respond to a Local Agency with respect to a mandatory project submittal within sixty (60) days of referral of a completed application, pursuant to the requirements of P.U.C. §21675.2(a) and §21676(d). This response period does not begin until such time as all information necessary for accomplishment of the project review has been submitted to the Authority and the Authority has deemed the application complete.

(e) Authority Project Review and Determination Process. The Authority shall review applications for compliance with the criteria and policies set forth in the applicable ALUCP. The Authority may consider its own interpretive guidelines and past precedents. ~~After~~ ~~if the project requires ALUC action~~ ~~review,~~ the Authority's staff shall place the matter on the Board ALUC's agenda for the earliest possible ALUC Board meeting. ~~if the project does not qualify for staff review.~~ ~~The Authority's staff shall determine if the application can be put on the consent or administrative calendar or whether it must receive a public hearing.~~ The application may be placed on the consent or administrative calendar if the Authority's staff determines that the project application is conditionally consistent with the applicable ALUCP. Such an application may be removed from the consent or administrative calendar at the request of any interested party, member of the public or Board member. In such event, the application shall be heard at the same Board meeting or may be continued at a subsequent Board meeting by a vote of the Board. ~~[A9][RT10]~~ The application shall ~~receive~~ ~~be presented~~ ~~heard~~ at a public hearing ~~meeting~~ prior to any determination by the ALUC Authority that the project application is inconsistent with the applicable ALUCP and notice of the public ~~hearing~~ ~~meeting~~ shall be provided to the referring a ~~l~~ local Agency.

The ALUC Authority may determine that a project application is inconsistent with the criteria and policies of the applicable ALUCP by taking the following steps: (i) the holding of a public ~~hearing~~ ~~meeting~~; and (ii) the making of specific factual findings that the proposed action ~~proposed~~ is inconsistent with the criteria and policies of the applicable ALUCP. If the ALUC Authority makes a finding that the project application is inconsistent with the applicable ALUCP, the referring a ~~l~~ local Agency shall be notified.

(f) Authorization for Staff Review. The Authority's President/Chief Executive Officer or his or her designee (the "**President/CEO**") is authorized to determine the consistency of proposed actions referred to the Authority by Local Agencies in the following circumstances: (i) where the proposed actions are determined to be consistent with the applicable ALUCP; or (ii) where the Local Agency submittal was voluntary. Staff review and consistency determinations shall be made consistent with the determination deadlines specified in this policy. Any determination of consistency made pursuant to this section shall be placed ~~on the information calendar on the Board/ALUC's~~ agenda for the earliest possible meeting.

(g) Reconsideration Criteria for Determinations of Consistency. An ~~ALocal Agency~~ applicant may request that the Authority reconsider its previous action on an application. The request for reconsideration shall be made within thirty (30) days of the decision on the application. The applicant must show that there is relevant new evidence which could not have reasonably been presented at the original meeting or that an error of fact or law occurred ~~on the part of the Authority.~~ Only the applicant and persons who participated in the original proceedings are eligible to testify. If the ~~ALUCBoard~~ grants reconsideration, then the matter shall be scheduled for a public ~~hearing-meeting~~ as if it were a new application.

(h) Applicant's Rights and Responsibilities after the Authority's Consistency Determination has been Made. If the ~~ALUCauthority~~ determines that a proposed action is inconsistent with an applicable ALUCP, then a Local Agency may overrule the Authority's determination by taking the following mandatory steps: (i) the holding of a public hearing; (ii) the making of specific Findings that the action proposed is consistent with the purposes of The State Aeronautics Act; and (iii) the approval of the proposed action by a two-thirds vote of the ~~alocal Agency's~~ governing body.

If a Local Agency decides to overrule an ~~ALUCauthority~~ determination, then the following apply: (a) the Local Agency's approval of a plan, ordinance or project takes effect as if the ~~ALUCauthority~~ had approved the project or found it consistent with the ALUCP; (b) if a Local Agency adopts or amends a general plan or specific plan for the Airport ~~Influence a~~Area by overruling the ~~ALUCauthority~~, then subsequent ~~ALUCauthority~~ review of individual development projects related to that overruling become voluntary consistent with P.U.C. §21676.5(b); and (c) if the Local Agency overrules the ~~ALUCauthority's~~ consistency determination on any project subject to mandatory review by the ~~ALUCCommission~~, then the Authority shall be immune from liability for damages to property or personal injury caused by or resulting directly or indirectly from the public agency's decision to override the ~~ALUCauthority's~~ action or recommendation pursuant to P.U.C. §21678 and §21675.1(f).

(i) Authority's Rights and Responsibilities if the Local Agency Overrules the Authority's Consistency Determination. If a Local Agency ~~decides to~~ overrules the ~~ALUCauthority's~~ consistency determination, then the Local Agency shall provide notification to the ~~ALUCauthority~~ of the proposed overruling, providing the specific Findings for their review and comment, thirty (30) days prior to the final hearing and decision on whether to overrule the ~~ALUCauthority.~~ The Local Agency shall include comments from the ~~ALUCauthority~~ in the public record of any final decision to overrule the ~~ALUCauthority.~~

(4) Administrative Provisions.

(a) Public Hearings. Public hearings shall be held in accordance with the procedures identified for public hearings for the Authority.

(b) Authority Information Requests. In addition to all other authority granted to the President/CEO, the President/CEO shall have the authority to provide any information, reports, applications or other related documents, in whatever form or format that the President/CEO may determine useful in the implementation or enforcement of the provisions of this policy.

(c) Notices.

(i) Local Agency Person(s) to Receive Notices. Each Local Agency representative who ~~makes~~ submits an application for consistency determination review shall receive notices regarding action taken under the authority of this policy.

(ii) Delivery of Authority Notices. Whenever the Authority provides written notice under this policy, the notice shall be ~~sent delivered by electronic or first class mail, or by a next day package delivery service.~~ electronic mail or first class mail.

(iii) Effective Date of Notices Delivered by the Authority. Whenever the Authority gives written notice under or concerning this policy ~~by electronic mail or next day package delivery service,~~ the notice shall be deemed to have been received on the day it was transmitted ~~if sent electronically, sent by electronic mail, or, if given only by next day package delivery service, on the day following the day on which the notice was delivered or given to a next day package service for delivery by fax or email.~~ If or if the Authority gives notice only by depositing a copy of the notice in first class mails, the notice shall be deemed to have been received three (3) days after the date on which it was deposited in the United States mail.

(iv) Effective Date of Notices or Requests. Whenever this policy requires any person to file or submit any notice or document to the Authority, that notice or document shall be deemed to have been delivered on the first working day when it is actually received by the Authority.

(d) Modification of Forms or Guidelines.

(i) Authority. The President/CEO may prepare, modify or augment any form required to be filed under this policy, may require the filing of additional forms or information not otherwise referenced in this policy, or may prepare, modify or augment any Authority consistency review guidelines or other administrative guidelines without ~~Board~~ Board action, if the President/CEO reasonably determines that the action would facilitate the implementation and enforcement of this policy, or any other Authority ordinances, rules, regulations, codes or policies.

(ii) Notices. When the President/CEO exercises his or her authority under subsection (i) above, the President/CEO promptly shall give notice to all Local Agencies and other interested parties who are required or permitted to use those forms, information or guidelines, and the President/CEO shall specify the date upon which use of the new or modified forms, information or guidelines is required.

PART 8.6 - **DOCUMENTS AND RECORDS**
SECTION 8.61 - **PROVIDING COPIES OF PUBLIC RECORDS**
-
