

Airport Land Use Commission
Report of Land Use Actions Determined to be Consistent with
Airport Land Use Compatibility Plans (ALUCPs)

Item No.
2

Meeting Date: **January 10, 2013**

Pursuant to Airport Authority Policy 8.30, and acting in its delegated capacity as the Airport Land Use Commission (ALUC) for San Diego County, Airport Authority staff has determined that the following land use actions are consistent with their respective ALUCPs:

Gillespie Field ALUCP

1. Addition of Wireless Telecommunication Facility to Existing Building at 8865 Cuyamaca Street, City of Santee

Deemed Complete & Consistent on November 27, 2012

Description of Project: The proposed project involves the addition of wireless telecommunication panel antennas on the roof of an existing building.

Noise Contours: The proposed project is located outside the 60 dB CNEL noise contour of the ALUCP. The ALUCP identifies all uses located outside the 60 dB CNEL noise contour as compatible with airport uses.

Airspace Protection Surfaces: The proposed project is in compliance with the ALUCP airspace protection surfaces because a determination of no hazard to air navigation has been issued by the Federal Aviation Administration (FAA).

Safety Zones: The proposed project is located within Safety Zone 6 of the ALUCP. The ALUCP identifies utility uses located within Safety Zone 6 as compatible with airport uses.

Overflight Notification: The proposed project is located within the overflight notification area but does not contain any residential uses which are subject to the overflight notification requirement.
