

**SAN DIEGO COUNTY
REGIONAL AIRPORT AUTHORITY
STAFF REPORT**

Item No.
9

Meeting Date: **JANUARY 10, 2013**

Subject:

Award a Contract to S&L Specialty Contracting, Inc., for Quieter Home Program Phase 6, Group 11 (28 West Side, Non-Historic, Condominium Units)

Recommendation:

Adopt Resolution No. 2013-0006, awarding a contract to S&L Specialty Contracting, Inc., in the amount of \$1,013,000, for Project No. 380611, Phase 6, Group 11 of the San Diego County Regional Airport Authority's ("Authority's") Quieter Home Program.

Background/Justification:

The Quieter Home Program ("Program") provides sound attenuation treatment to residences within the highest noise-impacted neighborhoods surrounding San Diego International Airport ("SDIA"). The Phase 6, Group 11, project includes installation of new acoustical windows, doors, insulation, and ventilation improvements to reduce aircraft-related noise levels inside the homes. This project will provide sound attenuation to 28 west side, non-historic, condominium units.

To date, the Program has completed 2,435 residences, of which 637 are historic and 1,798 are non-historic; 1,560 residences are located west of SDIA and 875 are located east of SDIA.

Project No. 380611 was advertised on November 14, 2012, and bids were opened on December 14, 2012. The following bids were received (refer to Attachment A):

Company	Total Bid
S&L Specialty Contracting, Inc.	\$1,013,000
G&G Specialty Contractors, Inc.	\$1,050,462

The Engineer's estimate is \$1,130,000.

The low bid of \$1,013,000, is considered responsive, and S&L Specialty Contracting, Inc., is considered responsible. Award to S&L Specialty Contracting, Inc., is, therefore, recommended in the amount of \$1,013,000.

Fiscal Impact:

Adequate funds for FY2013 and FY2014 expenditures, under the S&L Specialty Contracting, Inc. contract, are included within the operating budget in the Authority's Quieter Home Program. Sources of funding include federal Airport Improvement Program grants and Passenger Facility Charges.

Authority Strategies:

This item supports one or more of the Authority Strategies, as follows:

- Community Strategy Customer Strategy Employee Strategy Financial Strategy Operations Strategy

Environmental Review:

- A. This Board action is a "project" subject to the California Environmental Quality Act ("CEQA"), Pub. Res. Code Section 21065. The individual projects under the Quieter Home Program are part of a class of projects that are categorically exempt from CEQA: 14 Cal. Code Regs. Section 15301 – "Existing Facilities: Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination."
- B. This Board action is a "development" as defined by the California Coastal Act, Pub. Res. Code Section 30106. The individual projects under the Quieter Home Program will consist of treatments to single-family and multi-family dwellings. Improvements to single-family homes are exempt from coastal permit requirements under Pub. Res. Code Section 30610(a) and 14 Cal. Code Regs. Section 13250 – "Improvements to Single-Family Residences." The proposed improvements to multi-family residences are exempt from coastal permit requirements under Pub. Res. Code Section 30610(b) and 14 Cal. Code Regs. Section 13253 – "Improvements to Structures Other than Single-Family Residences and Public Works Facilities that Require Permits."

Equal Opportunity Program:

The Authority's small business program promotes the use of small, local, disadvantaged, and other business enterprises, on all contracts, to provide equal opportunity for qualified firms. By providing education programs, making resources available, and communicating through effective outreach, the Authority strives for diversity in all contracting opportunities.

The Authority has a Disadvantaged Business Enterprise ("DBE") Plan as required by the Department of Transportation, 49 CFR Part 26. The DBE Plan calls for the Authority to submit an annual overall goal for DBE participation on all federally funded projects.

This project utilizes federal funds; therefore, it will be applied toward the Authority's overall DBE goal. S&L Specialty Contracting, Inc. is proposing 0% DBE participation on QHP Phase 6, Group 11.
