- **CAPITAL IMPROVEMENT PROGRAM OVERSIGHT COMMITTEE (CIPOC):** Board Member von Wilpert reported that there was a CIPOC meeting held on January 19, 2023, where staff provided an update on the construction progress of the NT1, Community Outreach and the art program. She reported that the next CIPOC meeting is scheduled for April 20, 2023, and will be combined with the annual Capital Budget Workshop where the Board will receive a presentation on the Authority's Capital Program and Associated Finances, and a Small Business Update.
- **EXECUTIVE PERSONNEL AND COMPENSATION COMMITTEE:** Chair Cabrera reported that the committee did not meet last month.
- **FINANCE COMMITTEE:** Board Member McNamara reported that the Finance Committee met on January 23 and that the next meeting is scheduled for February 16.

ADVISORY COMMITTEES

- **AUTHORITY ADVISORY COMMITTEE:** Board Member Casillas Salas reported that the next committee meeting is scheduled for March 9, 2023.
- **ARTS ADVISORY COMMITTEE:** Christopher Chalupsky, Senior Manager, Arts Program reported that the Airport Arts Advisory Committee did not meet this month but plan to begin quarterly meetings in Q1 of this year. He reported that nearly all Installations for the Airport's new Temporary Art Exhibition (titled *A Necessary Departure*) are complete; and he reported that the displays and related content will continue to be highlighted on SAN's social media channels, and an opening artist-led tour and event will be planned for next month. He also reported that on Saturday, January 14, the Arts Program staff led an airport arts tour for the University of San Diego's Arts & Culture Leadership Program, and they learned about the Airport Arts Program's focus areas, strategies, and guiding principles for arts programming at a "non-traditional" venue of an airport.

LIAISONS

- **CALTRANS:** None

- **INTER-GOVERNMENTAL AFFAIRS:** Chair Cabrera reported that, in Washington, Congress has begun its work on the Federal Aviation Administration Reauthorization legislation expected later this year and that staff have worked with the airport industry trade associations as they compiled a list of reauthorization priorities. He reported that the recommendations were shared with House and Senate leaders last month and that Authority's legislative team is engaged in the process and will work to ensure that the Authority's priorities are known by the relevant committees. He reported that in Sacramento, the State Legislature is engaged in the bill introduction process as it gets its committees up and running for the new legislative session. He also reported that, with the bill introduction deadline of February 17, Members are still in the process of crafting and vetting legislation and that Committee hearings will not begin in earnest until sometime in March.
- **MILITARY AFFAIRS:** None.
- **PORT:** None.
- **WORLD TRADE CENTER:** None.

BOARD REPRESENTATIVES (EXTERNAL)

- **SANDAG BOARD OF DIRECTORS:** Chair Cabrera reported that the SANDAG Board of Directors met twice since the last Board Meeting and at the first meeting, staff presented an update on the regional economy; and at the second meeting, staff provided a brief overview of the role and responsibilities of SANDAG and its Board of Directors as the Metropolitan Planning Organization for the San Diego region.
- **SANDAG TRANSPORTATION COMMITTEE:** Board Member Sly reported that the next meeting is scheduled for February 3, 2023.

CHAIR'S REPORT: Chair Cabrera welcomed Nathan Fletcher, Lidia Martinez, and Rafael Perez as new members of the Board. He also congratulated Supervisor Vargas on her recent appointment as Chair of the San Diego County Board of Supervisors and Chair of the SANDAG Board of Directors. He thanked Chair Vargas, for her service and leadership on the Airport Authority Board. He reported that the San Diego Regional Chamber of Commerce will be presenting Kim Becker, President/CEO with the Moving San Diego Forward Award during its 152nd Anniversary Celebration on February 9 and that she was asked by Airports Council International to serve as the vice chair of its large hub committee. He requested that Tony R. Russell, Director, Board Services/Authority Clerk introduce the Board Service Team responsible for the distribution of Board and Committee communications and coordination of meetings.

PRESIDENT/CEO'S REPORT: Kim Becker, President/CEO, reported that on Saturday, February 4, the work to demo a bridge to accommodate the new elevated roadways for NT1 begins. She also reported that the work crews will close the entrance to T2 from Westbound N Harbor Drive for 24 hours and that this work is part of the series of closures that was shared last month where two other recent projects in front of Terminal 1 were launched successfully. She reported that on January 11, the road that connects Terminal 2 to Terminal 1 closed permanently, and on January 20, the approach and exit to Harbor Island/Point Loma closed for a two-week duration and that there are detour signs in strategic locations for all closures. She reported that Alaska Airlines announced it will add daily nonstop flights to Washington Dulles and Eugene, Oregon beginning June 15, and that they will also add seasonal nonstop flights to Tampa Bay, Florida beginning October 5 which will operate daily. She reported that on January 18, the Airport Authority's Employee DEI Committee hosted a Lunch and Learn event where approximately 80 people from various departments learned about the importance of diversity, equity and inclusion at the Airport Authority and how they could get involved. She also reported that the Authority is acknowledging Black History Month in February by raising awareness and highlighting the background of some of the team members. She reported that the total stormwater collection for 2022 was 812,500 gallons of water through the Stormwater Reuse Treatment System on the top level of the Terminal 2 Parking Plaza and since October 2018, the system has captured, treated, and reused over five million gallons of stormwater. Background/Justification:

Policy Section Nos. 5.01, Procurement of Services, Consulting, Materials, and Equipment, 5.02, Procurement of Contracts for Public Works, and 6.01, Leasing Policy, require staff to provide a list of contracts, change orders, and real property agreements that were awarded and approved by the President/CEO or her designee. Staff has compiled a list of all contracts, change orders (Attachment A) and real property agreements (Attachment B) that were awarded, granted, accepted, or approved by the President/CEO or her designee since the previous Board meeting.

Fiscal Impact:

The fiscal impact of these contracts and change orders are reflected in the individual program budget for the execution year and on the next fiscal year budget submission.

Amount to vary depending upon the following factors:

1. Contracts issued on a multi-year basis; and
2. Contracts issued on a Not-to-Exceed basis.
3. General fiscal impact of lease agreements reflects market conditions.

The fiscal impact of each reported real property agreement is identified for consideration on Attachment B.

Staff Report

Meeting Date: March 2, 2023

Subject:

March 2, 2023, Legislative Report

Recommendation:

Adopt Resolution No. 2023-0017, approving the March 2023 Legislative Report.

Background/Justification:

The Authority's Legislative Advocacy Program Policy requires that staff present the Board with monthly reports concerning the status of legislation with potential impact to the Authority. The Authority Board provides direction to staff on legislative issues by adoption of a monthly Legislative Report (Attachment A). The March 2023 Legislative Report updates Board members on legislative activities that have taken place since the previous Board meeting. In directing staff, the Authority Board may take a position on pending or proposed legislation that has been determined to have a potential impact on the Authority's operations and functions.

Federal Legislative Action

In Washington, the first session of 118th Congress has begun. House and Senate Committees have been populated, with full committee and subcommittee leadership announced.

The House Committee on Transportation and Infrastructure and the Senate Committee on Commerce, Science, and Transportation are continuing to solicit input from various industry stakeholders and hold hearings surrounding FAA reauthorization legislation due in September 2023. Airports, through our national trade associations, have agreed on a set of policy recommendations that were submitted to Senate and House committee leadership.

The Airport Authority's Government Relations staff and Federal legislative consultants are reviewing and monitoring for any new funding opportunities available to support the Authority's initiatives and operations.

The President's Budget for Fiscal Year 2024 is expected to be released March 9th, and Congress is expected to fully begin its work on an Appropriations package.

Phil Washington has been renominated by President Biden to be the next Federal Aviation Administrator. Washington did not receive a nomination hearing in the 117th Congress. Because of that, the Biden Administration is looking to have a quick confirmation process which has been aided with recent support for Washington by Senate Majority Leader Schumer and Senate Commerce Committee Chair Maria Cantwell, who recently noted that Washington would receive a confirmation hearing in early March.

The Authority's legislative team does not recommend that the Board adopt any new positions on Federal legislation at this time.

State Legislative Action

The Legislature reconvened in early January and legislators have been busy introducing legislation on a host of topics. The bill introduction deadline was February 17th, so all bills are now in print. Approximately 40% of these, however, are "intent" or "spot" bills that will be amended into substantive language later. Policy committees will begin their work in earnest in early March, at which time the Legislature will begin the initial committee review of this year's legislation.

The Senate and Assembly have also started the formal budget subcommittee hearing process to consider and make changes to the Governor's January budget. The state budget forecast continues to look bleak, but the Administration plans to revisit the initial cuts proposed in the budget in the May Revise after the final tax deadline. The Legislature's budget subcommittee process will continue through April and May.

Additionally, the Airport Authority's Government Relations staff and legislative consultants are reviewing and monitoring for any new funding opportunities available to support the Authority's initiatives and operations.

The legislative team continues to review and analyze bills for potential impacts on the Authority and San Diego International Airport. The Authority's legislative team recommends that the Board adopt a SUPPORT position on AB 929 (McKinnor) related to alcoholic beverage licenses: off-sale privileges: airports, AB 534 (McCarty) Local agencies: airports: customer facility charges, and AB 480 (Ting) Surplus land.

Fiscal Impact:

Not applicable.

RESOLUTION NO. 2023-0017

A RESOLUTION OF THE BOARD OF THE SAN DIEGO
COUNTY REGIONAL AIRPORT AUTHORITY,
APPROVING THE MARCH 2023 LEGISLATIVE REPORT

WHEREAS, the San Diego County Regional Airport Authority (“Authority”) operates San Diego International Airport and plans for necessary improvements to the regional air transportation system in San Diego County, including serving as the responsible agency for airport land use planning within the County; and

WHEREAS, the Authority has a responsibility to promote public policies consistent with the Authority’s mandates and objectives; and

WHEREAS, Authority staff works locally and coordinates with legislative advocates in Sacramento and Washington, D.C. to identify and pursue legislative opportunities in defense and support of initiatives and programs of interest to the Authority; and

WHEREAS, under the Authority’s Legislative Advocacy Program Policy, the Authority Board provides direction to Authority staff on pending legislation; and

WHEREAS, the Authority Board, in directing staff, may adopt positions on legislation that has been determined to have a potential impact on the Authority’s operations and functions.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves the March 2023 Legislative Report (“Attachment A”); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “project” as defined by the California Environmental Quality Act (“CEQA”) (California Public Resources Code §21065); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “development” as defined by the California Coastal Act (California Public Resources Code §30106); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a project that involves additional approvals or actions by the Federal Aviation Administration ("FAA") and, therefore, no formal review under the National Environmental Policy Act ("NEPA") is required.

State Legislation

New Assembly Bills

Legislation/Topic

AB 929 (McKinnor) Alcoholic Beverage Licenses: off-sale privileges: airports.

Background/Summary

AB 929 would authorize an airport operator to permit or prohibit the sale of alcoholic beverages for off-sale consumption by the holder of an on-sale license located in an airport terminal. The bill would authorize the on-sale licensee to sell alcoholic beverages for off-sale consumption in the airport terminal subject to specified requirements, including that the license permits on-sale consumption of the type of alcohol being sold for off-sale consumption. Additionally, the measure would require the licensee to notify the Department of Alcoholic Beverage Control (DABC) before selling any alcoholic beverages for off-sale consumption in the airport terminal. This bill would also authorize DABC to impose conditions on a licensee selling alcoholic beverages under these provisions.

Anticipated Impact/Discussion

This bill would provide the Airport Authority with flexibility to place health and safety restrictions on the off-sale consumption of alcoholic beverages within the airport terminal, including, but not limited to, defining the areas of the terminal within which off-sale consumption is permitted and requiring alcoholic beverages sold for off-sale consumption to be in closed or open containers. Authority staff have contributed to the development of the bill's text and the Authority's legislative team will work with the California Airports Council (CAC) to closely monitor the development of this bill language as it proceeds through the legislative process.

Status: 2/14/23 - Introduced, pending committee referral

Position: Support (3/2/22)

Legislation/Topic

AB 534 (McCarty) Local agencies: airports: customer facility charges

Background/Summary

AB 534 would authorize airports to require rental companies to collect a customer facility charge or an alternative customer facility charge under specified circumstances for purposes that include financing, designing, and constructing or operating airport vehicle rental facilities and common-use transportation systems. Current law, beginning January 1, 2024, provides that the authorization for an airport to impose a customer facility charge becomes inoperative when the bonds used for financing are paid, except as specified. This bill would delete the provision ending the authorization described above.

Anticipated Impact/Discussion

This bill would eliminate the sunset date for airports to commence the process to impose the alternative daily rental car facility Customer Facility Charge (CFC). This sunset date functions as an artificial deadline and does not allow California airports to begin the process to impose the fee at a time that matches the growth and development experience of the airport nor the aging and deterioration of existing facilities that are in need of replacement. The bill would also allow the Airport Authority to continue to collect the CFC after the Rental Car Center bonds are fully paid, which will allow CFCs to continue to fund the operation of the Rental Car Center and passenger conveyance after that point. The Authority's legislative team will work with the California Airports Council (CAC) to closely monitor the development of this bill language for any additional impacts on San Diego International Airport (SDIA) and the Airport Authority.

Status: 2/9/23 - Introduced, pending committee referral

Position: Support (3/2/22)

*Shaded text represents new or updated legislative information

Legislation/Topic

AB 480 (Ting) Surplus land

Background/Summary

AB 480 would expand the definition of exempt surplus land to include land that is owned by a California public-use airport on which residential use is prohibited. This bill clarifies that exemption pursuant to Federal Aviation Administration Order 5190.6B, Airport Compliance Program, and Chapter 20 of Compatible Land Use and Airspace Protection. Additionally, the bill also makes definitional changes with respect to project criteria, project applicant eligibility along with a number of other non-substantive changes.

Anticipated Impact/Discussion

This bill includes an exemption of land owned by California public-use airports on which residential use is prohibited pursuant to specified federal law. In consultation with the California Airports Council (CAC) and other stakeholders, Assemblymember Phil Ting has introduced AB 480 to provide clarification to a number of provisions from his original surplus land bill, AB 1486 Chaptered in 2019, among them is to expand the definition of exempted surplus property to include California public-use airport lands. The Authority's legislative team will work with the California Airports Council (CAC) to identify an industry-wide position, if needed, and closely monitor the development of this bill language for any additional impacts on San Diego International Airport (SDIA) and the Airport Authority.

Legislation/Topic

H.R. 346 (Stauber) The NOTAM Improvement Act of 2023

Background/Summary

The bill aims to enhance the Notice to Air Missions (NOTAM) system for pilots. It would establish a Federal Aviation Administration (FAA) task force to determine what updates should be made to the NOTAM system and provide greater government oversight. These improvements will focus on stability, resiliency, and cybersecurity protections of the system.

Anticipated Impact/Discussion

San Diego International Airport relies on the NOTAM system to receive updates about situations relating to weather, infrastructure, ground conditions or anything else that may affect the safety of flight. Optimizing NOTAM would ensure safer flight routes and help prevent mass system shutdowns. The Authority's legislative team will closely monitor the development of this bill language for any impact on San Diego International Airport (SDIA) and the Airport Authority.

Appointment of Authority Advisory Committee Members

Recommendation:

Adopt Resolution No. 2023-0018, appointing Sean Elo-Rivera and Emily Wier to the Authority Advisory Committee.

Background/Justification:

The Authority's Advisory Committee was established to facilitate input from community stakeholders and subject matter experts regarding Authority planning and development activities. The 20-member Committee is governed by the provisions of Authority Policy 1.21. While the Board is responsible for approving the appointments of all members of the Committee, nominations are received from various sources as follows:

(Seats 1 – 7) The President/CEO shall nominate individuals to fill seats representing each of the following categories:

- (1) airport management;
- (2) passenger and freight air transportation operations and economics;
- (3) general aviation;
- (4) the natural environment;
- (5) local government;
- (6) the campuses of the University of California and the California State Universities in the region; and
- (7) organized labor.

(Seats 8 – 15) The Presidents of the organizations listed below may each nominate one individual. As shown below, in some cases, the nominating organization rotates among different organizations at the conclusion of each two-year term.

- (8) San Diego Regional Economic Development Corporation
- (9) Rotation among:
 - a. San Diego North Economic Development Council
 - b. East County Economic Development Council
 - c. South County Economic Development Council

- (10) San Diego Regional Chamber of Commerce
- (11) Rotation among:
 - a. Cleantech San Diego
 - b. Biocom
 - c. CONNECT
- (12) Metropolitan Transit System
- (13) North County Transit District
- (14) San Diego County Taxpayers Association
- (15) San Diego Tourism Authority

(Seat 16) The Deputy Trustee of the San Diego and Imperial Counties Labor Council or his/her designee may nominate one individual to serve in this seat.

(Seat 17) The District Director of the California Department of Transportation for the San Diego Region or his/her designee serves in this seat.

(Seat 18) The representative of the United States Department of Defense currently serving on the Board or his/her designee serves in this seat.

(Seats 19 – 20) Two seats are reserved for members of the general public. Whenever a vacancy occurs in one of these seats, a notice is issued by the Authority. The Chief Auditor and Vice President of Development jointly review and nominate individuals to serve in these two seats.

NOMINATIONS TO FILL OPEN SEATS

Emily Wier is nominated to fill the Local Government seat which is currently vacant. Sean Elo-Rivera is nominated to fill the Metropolitan Transit System seat which is vacant due to the resignation of Bill Sandke. The names and biographical information of the nominees, the category represented by the nominees, and the source of the nominations are listed below.

Seat 5: EMILY WIER (appointment) – Emily is the Director of Policy for County Supervisor Nathan Fletcher. She has written and helped enact nearly fifty transformative policies for the Supervisor over the past four years. Previously, she worked for consulting and energy start-up companies. She notably served in the Obama Administration's Office of Energy and Climate Change, where she advised on electric vehicle and renewable energy policy. Emily has her master's degree from Yale University, and her undergraduate degree from Tufts University.

(Category: Local Government; Nominated by: President/CEO, San Diego County Regional Airport Authority)

Seat 12: SEAN ELO-RIVERA (appointment) – Council President Sean Elo-Rivera proudly represents San Diego’s 9th City Council District and is committed to the realization of his vision of “Opportunity for All.” He was elected as Councilmember in November 2020 and then elected City Council President in December of 2021. Before joining the City Council, Sean served as an elected member of the San Diego Community College District Board of Trustees and as the Executive Director of Youth Will where he worked to create a future where every young person is happy, healthy, and prepared to reach their potential. He previously spent time leading community organizing, policy, and civic engagement efforts at a local nonprofit. Sean came to San Diego to attend California Western School of Law where he focused on Creative Problem Solving and earned honors for his Pro Bono service while earning his Juris Doctor.

(Category: Local Public Transit Authorities; Nominated by: Sharon Cooney, Chief Executive Officer, Metropolitan Transit System)

Acceptance of Board and Committee Members Written Reports on their Attendance at Approved Meetings and Pre-Approval of Attendance at Other Meetings Not Covered by the Current Resolution

Recommendation:

Accept the reports and pre-approve Board Member attendance at other meetings, trainings and events not covered by the current resolution.

Background/Justification:

Authority Policy 1.10 defines a “day of service” for Board Member compensation and outlines the requirements for Board Member attendance at meetings.

Pursuant to Authority Policy 1.10, Board Members are required to deliver to the Board a written report regarding their participation in meetings for which they are compensated. Their report is to be delivered at the next Board meeting following the specific meeting and/or training attended. The reports (Attachment A) were reviewed pursuant to Authority Policy 1.10 Section 5 (g), which defines a “day of service”. The reports were also reviewed pursuant to Board Resolution No. 2019-0074, which granted approval of Board Member representation for attending events and meetings.

The attached reports are being presented to comply with the requirements of Policy 1.10 and the Authority Act.

Staff Report

Meeting Date: March 2, 2023

Subject:

Reject the Claim of Enid Newsome

Recommendation:

Adopt Resolution No. 2023-0019 rejecting the claim of Enid Newsome.

Background/Justification:

On February 8, 2023, Enid Newsome filed a claim ("Attachment A") with the San Diego County Regional Airport Authority ("Authority"). Specifically, Newsome alleges that on August 11, 2022, she suffered emotional distress as the result of being in the "zone of danger" when her companion was injured while being pushed in a wheelchair as they traversed the jetway to board an aircraft at gate 13 in Terminal One at San Diego International Airport. Newsome claims damages in excess of \$7,200 to cover unspecified mental health treatment.

As described above, Newsome alleges that on August 11, 2022, she was walking next to her companion as she was being pushed in a wheelchair on the jetway at gate 13. Newsome claims an unspecified incident occurred and that she was close to it. She claims the incident was a result of negligence on the part of the Southwest Airlines employee or borrowed servant pushing the wheelchair; the dangerous and unsafe condition of the jetway walking area, to include the design, surface texture configuration, the worn and irregular condition, the angle of incline and decline, and the size, design, configuration and condition of the extension joints; the condition and design of the wheelchair in use and claims of it being dangerous and unsafe; the lack of adequate safety training, instruction, oversight and procedures with respect to the personnel transporting claimant's companion; the lack of adequate warning signs and the lack of adequately designed and maintained lighting.

Newsome's claim should be denied. An investigation into the incident revealed the Authority had no notice of a dangerous condition of the jetway or reports of wheelchair incidents in the jetway prior to the incident. Paramedics and Harbor Police were not dispatched to deal with an incident as described in this claim. The General Counsel has reviewed the claim and recommends rejection.

Fiscal Impact:

Not applicable.

Section 5 - Description of Incident Resulting in Claim:

Enid Newsome was in the zone of danger while trying to board Southwest Airlines Flight Number 6503 at San Diego International Airport on August 11, 2022, when Brenda Henton-Price was seriously injured in an Incident on the Jetway bridge leading from Terminal 1, Gate 13 to the plane. The Incident occurred when the wheelchair Ms. Henton-Price was being transported in to board the flight was caught/stopped abruptly by a dangerous and unsafe condition of the jet way bridge walking surface. Claimant, who is a long-time close friend of Ms. Henton-Price, is informed and believes that a Southwest Airline employee was pushing her wheelchair at the time of the Accident. Claimant was walking the Jetway bridge next to the employee pushing the wheelchair and has suffered emotional distress as a result of being in the zone of danger during the aforementioned Incident. Contributing substantial factor causes of the Incident included, without limitation:

1. the negligence of the Southwest Airline employee/borrowed servant pushing the wheelchair;
2. the dangerous and unsafe condition of the jet way bridge walking area , including without limitation, the walking areas` design, surface texture configuration, worn and irregular condition, the angle of incline/decline as well as the size, design, configuration, and condition of the jet way extension joints;
3. the condition and design of the wheelchair being used at the time of the Incident was dangerous and unsafe;
4. the lack of adequate safety training, instructions, oversight and procedures with respect to the personnel involved with transporting Claimant to the plane;
5. the lack of lack of adequate warning signs; and,
6. the lack of adequately designed and maintained lighting.

RESOLUTION NO. 2023-0019

A RESOLUTION OF THE BOARD OF THE SAN DIEGO
COUNTY REGIONAL AIRPORT AUTHORITY,
REJECTING THE CLAIM OF ENID NEWSOME

WHEREAS, on February 8, 2023, Enid Newsome filed a claim with the San Diego County Regional Airport Authority (“Authority”) for losses she claims were the result of being in close proximity to an accident involving her friend on the jetway at gate 13 in Terminal One at San Diego International Airport; and

WHEREAS, at its regular meeting on March 2, 2023, the Board considered the claim filed by Enid Newsome and the report submitted to the Board and found that the claim should be rejected.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby rejects the claim of Enid Newsome; and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “project” as defined by the California Environmental Quality Act (“CEQA”) (California Public Resources Code §21065); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “development” as defined by the California Coastal Act (California Public Resources Code §30106); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a project that involves additional approvals or actions by the Federal Aviation Administration (“FAA”) and, therefore, no formal review under the National Environmental Policy Act (“NEPA”) is required.

Staff Report

Meeting Date: March 2, 2023

Subject:

Reject the Claim of Brenda Henton-Price

Recommendation:

Adopt Resolution No. 2023-0020 rejecting the claim of Brenda Henton-Price.

Background/Justification:

On February 8, 2023, Brenda Henton-Price filed a claim ("Attachment A") with the San Diego County Regional Airport Authority ("Authority"). Specifically, Henton-Price alleges that on August 11, 2022, she suffered injuries as the result of being thrown to the floor from a wheelchair when it abruptly stopped as she transited the jetway to board an aircraft at gate 13 in Terminal One at San Diego International Airport. Henton-Price claims damages in excess of \$45,000 to cover medical treatment, lost wages, and other expenses.

As described above, Henton-Price alleges that on August 11, 2022, she was being wheeled in a wheelchair by someone she believes was a Southwest Airlines employee to board her flight. At some point inside the jetway she claims the wheelchair was stopped abruptly by an unspecified dangerous condition, causing her to fall violently to the floor. She claims she suffered injuries to her stomach, back, neck, knees and torso, including contusions. She claims the incident was a result of negligence on the part of the Southwest Airlines employee or borrowed servant pushing the wheelchair; the dangerous and unsafe condition of the jetway walking area, to include the design, surface texture configuration, the worn and irregular condition, the angle of incline and decline, and the size, design, configuration and condition of the extension joints; the condition and design of the wheelchair in use and claims of it being dangerous and unsafe; the lack of adequate safety training, instruction, oversight and procedures with respect to the personnel transporting claimant; the lack of adequate warning signs and the lack of adequately designed and maintained lighting.

Henton-Price's claim should be denied. An investigation into the incident revealed the Authority had no notice of a dangerous condition of the jetway or reports of wheelchair incidents in the jetway prior to the incident. Harbor Police were not dispatched to deal with an incident as described in this claim and paramedics were not requested for evaluation. The General Counsel has reviewed the claim and recommends rejection.

Section 5 - Description of Incident Resulting in Claim:

While trying to board Southwest Airlines Flight Number 6503 at San Diego International Airport on August 11, 2022, Brenda Henton-Price was seriously injured in an Incident on the Jetway bridge leading from Terminal 1, Gate 13 to the plane. The Incident occurred when the wheelchair she was being transported in to board the flight was caught/stopped abruptly by a dangerous and unsafe condition of the jet way bridge walking surface. Claimant is informed and believes that a Southwest Airline employee was pushing her wheelchair at the time of the Accident. When Claimant's wheelchair was stopped abruptly, she was propelled violently out of the wheelchair and on to the floor. When Claimant hit the floor she suffered injury to her stomach, back, neck, knees, torso and other parts of her body. Contributing substantial factor causes of the Incident included, without limitation:

1. the negligence of the Southwest Airline employee/borrowed servant pushing the wheelchair;
2. the dangerous and unsafe condition of the jet way bridge walking area , including without limitation, the walking areas' design, surface texture configuration, worn and irregular condition, the angle of incline/decline as well as the size, design, configuration, and condition of the jet way extension joints;
3. the condition and design of the wheelchair being used at the time of the Incident was dangerous and unsafe;
4. the lack of adequate safety training, instructions, oversight and procedures with respect to the personnel involved with transporting Claimant to the plane;
5. the lack of adequate warning signs; and,
6. the lack of adequately designed and maintained lighting.

Section 7 – Persons Having Firsthand Knowledge of Incident:

Additional parties with firsthand knowledge of the Incident are including, but not limited to the following:

Individuals

Southwest Airlines Pilot and Crew of Southwest Airlines Flight Number 6503 that arrived at the accident scene. The names and contact information for these employees are unknown to Claimant at this time.

RESOLUTION NO. 2023-0020

A RESOLUTION OF THE BOARD OF THE SAN DIEGO
COUNTY REGIONAL AIRPORT AUTHORITY,
REJECTING THE CLAIM OF BRENDA HENTON-PRICE

WHEREAS, on February 8, 2023, Brenda Henton-Price filed a claim with the San Diego County Regional Airport Authority (“Authority”) for losses she claims were the result of falling from a wheelchair on the jetway at gate 13 in Terminal One at San Diego International Airport; and

WHEREAS, at its regular meeting on March 2, 2023, the Board considered the claim filed by Brenda Henton-Price and the report submitted to the Board and found that the claim should be rejected.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby rejects the claim of Brenda Henton-Price; and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “project” as defined by the California Environmental Quality Act (“CEQA”) (California Public Resources Code §21065); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “development” as defined by the California Coastal Act (California Public Resources Code §30106); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a project that involves additional approvals or actions by the Federal Aviation Administration (“FAA”) and, therefore, no formal review under the National Environmental Policy Act (“NEPA”) is required.

PASSED, ADOPTED, AND APPROVED by the Board of the San Diego County Regional Airport Authority at a regular meeting this 2nd day of March 2023, by the following vote:

Staff Report

Meeting Date: March 2, 2023

Subject:

Fiscal Year 2023 Second Quarter Report from the Office of the Chief Auditor

Recommendation:

The Audit Committee recommends that the Board accept the report.

Background/Justification:

As directed in the Charter for the Office of the Chief Auditor, the Chief Auditor shall communicate to the Authority's Audit Committee and executive management on a periodic basis the performance relative to the Office of the Chief Auditor's (OCA) Audit Plan, results of audit engagements or other activities completed, and to report any risk exposures or control issues identified.

The Fiscal Year 2023 Second Quarter Report from the OCA (Attachment A) is an account of activities and undertakings of the OCA during the period October 1, 2022, through December 31, 2022, and includes details on all recommendations completed or in progress during the second quarter.

On February 6, 2023, the Audit Committee received a presentation by staff on the Office of the Chief Auditor's activities performed during the second quarter. The Audit Committee subsequently voted unanimously to forward the Fiscal Year 2023 Second Quarter Report to the Board for acceptance.

OFFICE OF THE CHIEF AUDITOR

Second Quarter Summary

Executive Summary

During the second quarter, the Office of the Chief Auditor (OCA) continued work on the Fiscal Year 2023 Audit Plan. The quarter was very active with the OCA completing three engagements. Also, the OCA collaborated with the Marketing Department to revamp the webpage for reporting fraud, waste, abuse, and ethics violations. The new webpage offers additional functionality and information. Details on all activities included in the Audit Plan are given below.

Performance Measures

For Fiscal Year 2023, six major performance measures were developed to evaluate the OCA. The OCAs performance against the selected performance measures is displayed in Table 1.¹

Table 1: Status of Performance Measures as of December 31, 2022

#	Performance Measure	Goal	Actual	Benchmark
1	Customer satisfaction ratings from auditee	4.0	5.0	4.0
2	Number of recommendations	16	9	16
3	Percentage of audit and consulting engagements completed	40%	40%	40%
4	Percentage of recommendations accepted	95%	100%	83%
5	Percentage of staff time spent on audit and consulting engagements and general audit activities	81%	85%	81%
6	Percentage of audit and consulting engagements completed within budget	80%	100%	73%

Customer Satisfaction Rating:

After the completion of an audit or consulting engagement, a survey is sent to the department to obtain customer satisfaction data. The OCAs goal for customer satisfaction is 4.0, on a 1 to 5 scale (with 1 being very dissatisfied and 5 being very satisfied). To date this fiscal year, we have achieved a score of 5.0.

¹ The OCA tracks additional performance measures that are not shown above. Their results are compiled and shared with the Audit Committee annually.

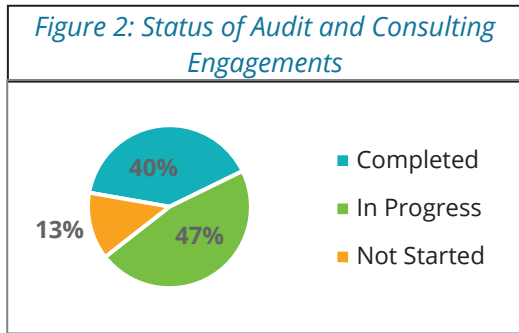

Number of Recommendations:

One of the OCAs primary objectives is to identify risks that could pose a threat to the Authority. As of December 31, 2022, the OCA provided 9 recommendations to management to remediate risks identified. Each of the recommendations are rated based on a qualitative value of risk, identified as Low, Medium, or High. A summary of the ratings is shown in Figure 1.

Percentage of Audit and Consulting Engagements Completed:

As of the second quarter, the OCA completed 6 engagements, or 40%, of audit and consulting engagements (6/15 = 40%) that are planned to be completed on the Fiscal Year 2023 Audit Plan.² In addition to the six engagements completed, the OCA had 47% of engagements in progress as of the end of the second quarter, as shown in Figure 2. The engagements completed in the second quarter are summarized in the upcoming section titled Engagements Issued.

The status of all activities in the Fiscal Year 2023 Audit Plan is included in Appendix A.

Percentage of Recommendations Accepted:

This category helps to evaluate the quality of the findings and recommendations issued by the OCA. Additionally, it helps hold the OCA accountable for the quality of the recommendations issued. As of the first quarter, management accepted 100% of all audit recommendations.

Percentage of Staff Time Spent on Audit & Consulting Engagements and General Audit Activities:

This measure tracks the time spent on audit and consulting engagements and general audit activities.³ The OCAs goal is for staff to spend 81% of their working hours⁴ on audit engagements, consulting engagements, and general audit activities. The OCA is currently exceeding the goal established, spending 85% of time on audit engagements, consulting engagements, and general audit activities.

² The Fiscal Year 2023 Audit Plan has 15 audits and 1 consulting engagement. However, the audit titled "Tenant Lease Administration and Management – FY2023 Rental Car Companies" will be carried forward, as anticipated, into Fiscal Year 2024, when required data is captured to complete the audit. This results in 14 audits and 1 consulting engagement on the Fiscal Year 2023 Audit Plan to be completed in the fiscal year.

³ Appendix A details all planned activities in these categories for Fiscal Year 2023.

⁴ Time off (e.g., Holidays, Paid Time off) has been excluded from this calculation.

FISCAL YEAR 2023 SECOND QUARTER REPORT

Percentage of Audit and Consulting Engagements Completed within Budgeted Time:

This category monitors the efficiency of audit staff in performing audits and consulting engagements. Specifically, audit staff is responsible for the internally prepared budget hours assigned to each audit or consulting engagement. As of the second quarter of Fiscal Year 2023, the OCA completed 100% of its projects within the budgeted time, exceeding the benchmark and the OCAs goal.

Engagements Issued

The Office of the Chief Auditor completed three engagements during the second quarter. Below is a summary of these engagements.

Turner-Flatiron, A Joint Venture, Cost Controls During Validation Phase: The objective of this audit was to determine if project controls surrounding the costs incurred during the validation phase were in place and operating as designed. The audit determined that the Airport Design & Construction controls were properly in place, operating as designed, and adequate to ensure costs were properly managed during the validation phase. The audit did not identify any findings or provide any recommendations.

Consulting – Grant Funding Assistance: The objective of the consulting services was to provide research and interpretation of the federal procurement requirements as they pertain to the Federal Aviation Administration (FAA) terminal grants under the Bipartisan Infrastructure Law (BIL), and analyze and examine the processes to determine cost eligibility and allowability for the use of these grant funds. The consulting engagement ended December 31, 2022; however, the OCA is in discussions to initiate another grant consulting engagement for the calendar year 2023 based on grant funding availability and the needs of management.

Security Assessment – Authority Websites and Web Applications: This confidential audit report was completed during the second quarter. The audit provided one recommendation.

General Audit Activities

In addition to performing audit engagements, the OCA is involved in other general audit activities that do not result in a formal audit report/opinion being issued. The OCA is either required⁵ to perform these activities or believes completion of these activities to be in the best interest of the Authority. A summary of the *General Audit Activities* is presented below.

Risk Assessment and Audit Plan

The OCA is required to submit a formal risk-based internal Audit Plan to the Audit Committee annually. The Risk Assessment & Audit Plan is the culminating result of data gathering, management discussions, surveys, and data analysis. The annual Risk Assessment and Audit Plan is generally initiated during the third quarter of each Fiscal Year. However, informally, the OCA is constantly assessing risk and adjusting the Audit Plan as needed.

Construction Activities

Construction audit activity for the second quarter of Fiscal Year 2023 consisted of attending meetings regarding the New Terminal 1 (New T1) terminal and roadways, the new administration building, and the New T1 airside improvements projects. The OCA, in collaboration with Baker Tilly, U.S., LLP (Baker Tilly), completed the Validation Phase cost controls audit, included in the Fiscal Year 2022 audit plan. The OCA continued to collaborate with Baker Tilly to develop the risk assessment and proposed audit plan for the Guaranteed Maximum Price development phase of the design-build terminal and roadways contract. Additionally, the OCA began work on a recently added audit at the request of the Airport Design & Construction Department (ADC) to determine if the ADC construction change order process is effective and efficient. The OCA remains involved with issues identified by ADC and Authority management, providing assistance and attending meetings specific to all aspects of the Authority's construction activity.

Information Technology Meeting Attendance

Information technology's central role to Authority operations makes meeting attendance on this subject a vital activity for the Chief Auditor. In Fiscal Year 2023, meetings have been focused on the audit related to the Authority's web-facing sites and future initiatives.

Development of Data Analytics

The OCA is actively exploring options to increase its audit coverage through data analytics and to identify where in-depth audits should be initiated. The Fiscal Year 2023 Audit Plan has two data analytics audits related to rental car companies. These audits are serving as a foundation to explore other areas where utilizing data analytics could benefit the Authority and the OCA. The development of the Data Analytics platform has already proven to be

successful. During the OCAs validation of data received last year, the OCA identified that an audit of AVIS Budget should be initiated. An audit was added to the Fiscal Year 2022 Audit Plan and was completed in the first quarter of Fiscal Year 2023. The use of data analytics directly resulted in the identification of this audit engagement. The engagement resulted in \$42,327 due to the Authority.

The OCA expects to issue the Fiscal Year 2022 Data Analytics audit for rental car companies in the upcoming months.

Ethics Program Activities

The OCA manages the Authority's Ethics Program that includes a confidential Fraud, Waste, Abuse, and Ethics reporting hotline. During the first two quarters of Fiscal Year 2023, 35 tips/reports were received. These tips ultimately did not require any investigation by the OCA. Tips/reports that are not investigated by the OCA are forwarded to management, as appropriate.

A summary of the tips/reports received in Fiscal Year 2023 is shown in Table 2 below.

Table 2: Ethics Hotline Tips/Reports Received in Fiscal Year 2023

	Number of Tips / Reports Received	Investigation Initiated by OCA	Investigation Results Supported Code Violation (Ethics or Workplace) *
Category			
Human Resource, Diversity, and Workplace Respect	34	-	-
Environment, Health, and Safety	1	-	-
Total	35	-	-

*As required by the Charter for the Office of the Chief Auditor, any fraud or illegal acts that the Chief Auditor becomes aware of are communicated to the Chair of the Audit Committee, General Counsel, and the President/CEO.

In addition to the tips received above, the OCA tracked two ethics investigations that were reported in Fiscal Year 2022. Both investigations were conducted by an outside independent party. The outside independent parties conducted thorough investigations, and both found that no ethics violations had occurred. Based on the conclusions of the independent investigations the Board found that there were no ethics violations.

Recommendation Follow-up

The OCA is mandated by its Charter to track the recommendations issued in audit reports and to report their implementation status to the Audit Committee on a periodic basis. The OCA tracks recommendations through regular inquiries made to the audited departments or to the owner of the specific recommendation(s) (See Appendix B). These inquiries allow

FISCAL YEAR 2023 SECOND QUARTER REPORT

the OCA to determine how many recommendations have been completed, as well as to obtain the status on progress being made to implement the recommendation.

Table 3 below shows the number of recommendations that were *Completed* or *In Progress* as of the second quarter of Fiscal Year 2023, along with the estimated/actual implementation timeframes based on the audit report issue date. Of the Completed recommendations, nine were implemented within the initial timeframe identified when the recommendations were issued. Of the In Progress recommendations, four were still within the initial timeframe identified for implementation.

In general, the OCA is satisfied with the progress that Authority departments are currently making with the implementation, as based upon our inquiries during the tracking process.

Table 3: Recommendations with Estimated/Actual Implementation Timeframe

Recommendations	Zero to 7 Months	7 Months to 1 Year	Over 1 Year	Total ⁶
Completed	11	3	3	17
In Progress	-	5	3	8

Quality Assurance and Improvement Program

The Institute of Internal Auditors' (IIA) *Standards* require the OCA to maintain a Quality Assurance and Improvement Program (QAIP) that includes internal (self) assessments, ongoing monitoring, and external assessments (required every 5 years). The objective of ongoing monitoring is to provide assurance that the OCAs processes in place are working effectively to ensure that quality is derived on an audit-by-audit basis.

The OCA completed ongoing monitoring of its Fiscal Year 2022 activities and operations during the first quarter of Fiscal Year 2023. The OCA found no items that would impact audit report quality. Full results were included in the Fiscal Year 2022 OCA Annual Report as part of the November 21, 2022, Audit Committee Meeting materials.⁷

The OCA continues to monitor its activities and report on performance measures each quarter. Those results are presented in quarterly reports to the Audit Committee.

⁶ Recommendation(s) contained in confidential audit reports are not included in Table 3 or in Appendix B. They are tracked separately by the OCA.

⁷ The results of on-going monitoring were originally included in the September 12, 2022, Audit Committee Meeting materials. The meeting did not have five votes required to move the item to the Board and was re-submitted in November.

Peer Review Participation

The OCA is required to participate on a peer review team(s) as part of a reciprocal agreement with the Association of Local Government Auditors (ALGA). This agreement requires OCA auditors to participate on a team assigned to assess another organization's compliance to the Institute of Internal Auditors' (IIA) *Standards*.

When COVID restrictions began to lift, scheduling of peer reviews and the necessary review teams resumed. Shane Ellis, an OCA Senior Auditor, completed a peer review of the Greater Orlando Aviation Authority in September 2022. The OCA is in contact with the regional coordinator of ALGA to schedule the remaining staff member on an appropriate peer review team.

Administrative

The activities that reside within the Administrative classification on the OCA Audit Plan include meetings attended by the OCA, holiday and vacation time, and the fulfillment of Continuing Professional Education (CPE) requirements. Following is a summary of the *Administrative* activities.

Tracking Budget and Expenses

The OCA expenses totaled approximately \$657,000 through the end of the second quarter, which represents 45% of the Fiscal Year 2023 budget. No unexpected or large outlays occurred within the department during the second quarter of Fiscal Year 2023. The OCA expects to remain close to budget through the fiscal year-end.

Continuing Professional Development

OCA staff continues to obtain Continuing Professional Education (CPE) credits as required by their various certifications. The OCAs CPE credits are tracked on a calendar year basis. At the end of calendar year 2022 all OCA staff met their respective CPE requirements. In the second quarter, staff attended training on topics that included construction, cybersecurity, ethics, internal controls, fraud, and data analytics.

Procedural/Supervisory

One Audit Committee meeting took place during the first quarter of Fiscal Year 2023, which occurred on November 21, 2022. The meeting contained all regularly scheduled agenda items, of which the OCA assisted in coordination with the Committee Chair and Board Services.

Contract Language

The OCA has been collaborating with Revenue Generation & Partnership Development and with other departments to examine audit-related language in contracts. The OCA appreciates the opportunity to be included in these discussions for they have the potential to impact future concessionaires and audit activities.

Audit Software

The OCA has been working on identifying a cloud-based audit software solution. Currently, the OCA utilizes a software that is housed “on-site” and generally requires staff to be in the office to access information. A new solution is anticipated to be more robust allowing greater functionality and reporting. A new solution will provide auditors full access to workpapers, will track time and schedule staff, fully integrate the Risk Assessment and Audit Plan, and will facilitate a more seamless recommendation follow-up process. The OCAs target is to have a new solution in place by the end of the Fiscal Year.

Fraud, Waste, Abuse, and Ethics Violations Reporting Webpage

The OCA has collaborated with the Marketing Department to develop an improved webpage for reporting fraud, waste, abuse, and ethics violations that features definitions, information on the reporting process, and enhanced functionality allowing an individual to upload supporting documentation. The new webpage was successfully launched in the Second Quarter of the Fiscal Year.

22-29	Audit Report 22010 Issued: June 30, 2022 Title: Turner-Flatiron, a Joint Venture, Direct Labor Billing During Validation Phase Department: AIRPORT DESIGN & CONSTRUCTION	High	We recommend that ADC work with the JV to develop a process to ensure all billing rate submissions are accurate to facilitate the payment application review process by the JV and ADC. This could include limiting the billing rate information to when a current employee receives a rate change or a new employee is added to the project.	2/1/2023	12/31/2022	Gensler rate changes will be allowed on an annual basis in April. Gensler subconsultants will be in September. Additionally, JV has developed master list of rates for their personnel. ADC continues to review this. JV rate changes will continue to occur on a case by case basis because this is not a billing rate.
22-13	Audit Report 22007 Issued December 29, 2021 Title: Fire Extinguisher Compliance Department: FACILITIES MANAGEMENT	Medium	FMD should develop and maintain a listing of all Authority fire extinguishers and their locations. This listing could be included in a computer application such as the Geographic Information System to produce and maintain a map of the Authority that shows all fire extinguisher locations.	2/28/2022	12/4/2022	A GIS layer has been implemented. Additionally, we are working with our new service provider, First Response to provide an enhanced inventory which will show GPS location, when units have been inspected and by whom.

Revision to the Fiscal Year 2023 Audit Plan of the Office of the Chief Auditor

Recommendation:

The Audit Committee recommends that the Board adopt Resolution No. 2023-0021, approving the revision to the Fiscal Year 2023 Audit Plan of the Office of the Chief Auditor.

Background/Justification:

The Charter for the Office of the Chief Auditor, instituted by Board Resolution No. 2003-062 on October 2, 2003, and most recently amended on October 7, 2021, per Board Resolution No. 2021-0109, defines the role and requirements of the Office of the Chief Auditor (OCA).

As directed in the Charter, the Chief Auditor shall submit, at least annually, a risk-based Audit Plan to the Audit Committee and to Authority executive management, and shall review and adjust the Audit Plan, as necessary, responding to changes in business risks, operations, special requests, programs, systems, and controls. All changes to the Audit Plan shall be communicated to the Audit Committee prior to being submitted to the Board for approval.

Additionally, International Standards for the Professional Practice of Internal Auditing require that the Chief Auditor review and adjust the Audit Plan, as necessary.

The OCAs initial Audit Plan for Fiscal Year 2023 was approved by the Audit Committee during its May 9, 2022, meeting, and was subsequently approved on June 2, 2022, by Board Resolution No. 2022-0056.

During the first and second quarters of Fiscal Year 2023, a review of the Audit Plan was undertaken by the OCA and it was determined that a revision would be needed. On November 21, 2022, a proposed amendment was presented to the Audit Committee that precisely accounted for the audits that carried over from Fiscal Year 2022 and adjusted the allocation of audit hours to reflect the OCAs operational requirements. That revision to the Fiscal Year 2023 Audit Plan was approved by the Board on December 1, 2022, by Resolution No. 2022-0111.

Upon continued appraisal of the operational requirements within the Authority and the OCA, a revision to the Fiscal Year 2023 Audit Plan is requested at this time; and includes:

1. Add three construction audits to be performed in partnership with Baker Tilly US LLP.
2. Distribute the unallocated time listed as "To Be Determined – Construction" and "To Be Determined" toward new and/or other audits.
3. Replace a planned audit (Small Business Management) with a contingent audit (Accounts Payable – Paymode X).
4. Add one consulting engagement to assist management with grants.

On February 6, 2023, staff presented the Audit Committee with the proposed Audit Plan revision for their consideration. The Audit Committee voted unanimously to accept the revision and forward the item to the Board for approval. The proposed revision to the Fiscal Year 2023 Audit Plan is provided in Attachment A.

Fiscal Impact:

Adequate funding for Fiscal Year 2023 Audit Plan is included in the adopted FY 2023 and conceptually approved FY 2024 Operating Expense Budgets within the Office of the Chief Auditor.

RESOLUTION NO. 2023-0021

A RESOLUTION OF THE BOARD OF THE SAN DIEGO COUNTY REGIONAL AIRPORT AUTHORITY, APPROVING THE REVISION TO THE FISCAL YEAR 2023 AUDIT PLAN OF THE OFFICE OF THE CHIEF AUDITOR

WHEREAS, California Public Utilities Code §170018 specifies the San Diego County Regional Airport Authority's Audit Committee membership (consisting of board members and public members), terms, and its responsibilities; and

WHEREAS, §170018(g) of the California Public Utilities Code and the Authority Charter for the Office of the Chief Auditor require the Audit Committee to approve the annual internal and external audits, including the auditor's annual audit plan for each fiscal year, and submit the same to the Board for approval; and

WHEREAS, at its regular meeting on May 9, 2022, the Audit Committee was presented with the Fiscal Year 2023 Proposed Audit Plan and voted to accept the plan and forward it to the Board for approval, as adopted by Board Resolution No. 2022-0056 on June 2, 2022; and

WHEREAS, on November 21, 2022, during a Special Meeting of the Audit Committee, the Committee unanimously agreed to revise the Fiscal Year 2023 Audit Plan to precisely account for the audits that carried over from Fiscal Year 2022 and to adjust the allocation of audit hours to reflect the Office of the Chief Auditor's current operational requirements; and

WHEREAS, on February 6, 2023, during a Special Meeting of the Audit Committee, the Committee unanimously agreed to revise the Fiscal Year 2023 Audit Plan by distributing the allocation of audit hours to add three construction audits, one contingent audit, and one consulting engagement to reflect the Office of the Chief Auditor's current operational requirements and voted to forward the revision to the Board for approval.

NOW, THEREFORE, BE IT RESOLVED THAT THE BOARD HEREBY approves the revision to the Fiscal Year 2023 Audit Plan of the Office of the Chief Auditor (Attachment A); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “project” as defined by the California Environmental Quality Act (“CEQA”) (California Public Resources Code §21065); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “development” as defined by the California Coastal Act (California Public Resources Code §30106); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a project that involves additional approvals or actions by the Federal Aviation Administration (“FAA”) and, therefore, no formal review under the National Environmental Policy Act (“NEPA”) is required.

Approve and Authorize an Increase in the President/CEO's Change Order Authority to Increase Contract Duration for the Shuttle Lot Relocation Project at San Diego International Airport

Recommendation:

Adopt Resolution No. 2023-0022 approving and authorizing an increase in the President/CEO's change order authority to increase the Contract duration from 269 days to 380 days, for Project No. 413002 Shuttle Lot Relocation at San Diego International Airport.

Background/Justification:

On February 3, 2022, the San Diego County Regional Airport Authority ("Authority") Board ("Board") awarded a Contract to Griffith Company ("Griffith") in the amount of \$6,363,363 for Project No. 413002, Shuttle Lot Relocation [Resolution No. 2022-0013]. The Project scope consists of construction of a new storage and operations facility for the Authority's electric shuttle bus fleet that will be located off airport property, along the north-east side of Pacific Highway, between Laurel Street and Palm Street. This site has been leased from the San Diego Unified Port District ("Port").

A Notice to Proceed was issued to Griffith on June 9, 2022, with an effective date of June 13, 2022, and an initial Contract duration of 180 days or December 10, 2022. The Authority subsequently extended the contract duration by 89 days to March 9, 2023, due to unforeseen circumstances that included differing existing site conditions, extended procurement times, permitting delays, Federal Aviation Administration determinations, and additional interagency coordination.

Authority Staff ("Staff") is now requesting an additional time extension of 111 days to June 28, 2023, due to the recent inclement weather and additional required scope coordination. Additionally, the current Contract with Griffith does not include a construction milestone date at which time the Project would be determined to be Substantially Complete per the terms of the Contract. Staff intends to add this milestone to the Contract at this time and proposes to establish a Substantial Completion date of April 29, 2023. The period from April 29, 2023, to the revised Contract end date of June 28, 2023, will be for the final completion of all Project punch list and closeout items.

Pursuant to Authority Policy 5.02(4)(b)(iii), Board approval is required to authorize the President/CEO to execute Contract Change Orders increasing the Contract duration beyond 90 days. The additional days required for Griffith to complete the project would exceed the President/CEO's authority under Policy 5.02 without further Board approval.

Staff recommends that Policy 5.02(4)(b)(iii) be waived in this instance and the Contract duration be increased by 111 calendar days, from 269 days to an amount not to exceed 380 calendar days.

Fiscal Impact:

Adequate funds for Shuttle Lot Relocation are included within the Board adopted FY2023-FY2027 Capital Program Budget in Project No. 413002. The sources of funding for this project include Customer Facility Charges and Airport Cash.

Staff Report

Meeting Date: March 2, 2023

Subject:

Award a Contract to S&L Specialty Construction, Inc. for Quieter Home Program Phase 12, Group 7, Project No. 381207 Thirty-Four (34) Non-Historic Single-Family and Multi-Family Units on Twenty-Five (25) Residential Properties Located East and West of the San Diego International Airport.

Recommendation:

Adopt Resolution No. 2023-0024, awarding a contract to S&L Specialty Construction, Inc. in the amount of \$1,487,182.00 for Phase 12, Group 7, Project No. 381207, of the San Diego County Regional Airport Authority's Quieter Home Program and making a finding that the project is exempt from the California Environmental Quality Act.

Background/Justification:

The San Diego County Regional Airport Authority's ("Authority") Quieter Home Program ("Program") provides sound attenuation treatments to residences within the highest noise-impacted neighborhoods surrounding San Diego International Airport ("SDIA"). This contract for Phase 12, Group 7, Project No. 381207 includes installation of new acoustical windows, doors, and ventilation improvements to reduce aircraft-related noise levels and provide sound attenuation to Thirty-Four (34) non-historic single-family and multi-family units on Twenty-Five (25) residential properties located east and west of the Airport (refer to Attachment A).

To date, the Program has completed 5,127 residences, of which 1,329 are historic and 3,798 are non-historic. 3,463 residences are located west of SDIA and 1,664 are located east of SDIA.

Project No. 381207 was advertised on December 13, 2022, and bids were opened on January 17, 2023. The following bids were received (refer to Attachment B):

Company	Total Bid
S&L Specialty Construction, Inc.	\$1,487,182.00
G&G Specialty Contractors, Inc.	\$1,519,471.00
HHJ Construction	\$1,520,833.00

Engineer's Estimate: \$1,286,859.73

After reviewing the bids, it was determined that the lowest bid received for this project was over the Engineer's Estimate by 15.6% primarily due to increasing costs for products and transportation, as well as a recent update to Prevailing Wage rates in December 2022 that were not accounted for in the original estimate.

The low bid of \$1,487,182.00 is considered responsive and S&L Specialty Construction, Inc. is considered responsible. Award to S&L Specialty Construction, Inc. is, therefore, recommended in the amount of \$1,487,182.00.

Fiscal Impact:

Adequate funds for the contract with S&L Specialty Construction, Inc. are included in the adopted FY 2023 and conceptual FY 2024 Operating Expense Budgets within the Quieter Home Program budget line item. Sources of funding include federal Airport Improvement Program grants and Passenger Facility Charges.

Environmental Review:

A. CEQA: This Board action is a "project" subject to the California Environmental Quality Act ("CEQA"), Pub. Res. Code §21065. The individual projects under the Quieter Home Program are part of a class of projects that are categorically exempt from CEQA: 14 Cal. Code Regs. §15301 – "Existing Facilities: Class 1 consists of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination."

- B. California Coastal Act Review: This Board action is a “development” as defined by the California Coastal Act, Cal. Pub. Res. Code §30106. This project under the Quieter Home Program will consist of treatments to single-family and multi-family dwellings. Improvements to single-family homes are exempt from coastal permit requirements under Cal. Pub. Res. Code §30610(a) and 14 Cal. Code Regs. §13250 – “Improvements to Single-Family Residences.” The proposed improvements to multi-family residences are exempt from coastal permit requirements under Cal. Pub. Res. Code §30610(b) and 14 Cal. Code Regs. §13253 – “Improvements to Structures Other than Single-Family Residences and Public Works Facilities that Require Permits.”
- C. NEPA: This Board action is a project that involves approvals or actions by the Federal Aviation Administration (“FAA”) and, therefore, also requires review under the National Environmental Policy Act (“NEPA”) for its potential environmental impacts. The FAA issued a Categorical Exclusion under NEPA on March 22, 2021, for these Quieter Home Program projects.

Application of Inclusionary Policies:

The Authority has the following inclusionary programs/policies: a Disadvantaged Business Enterprise (DBE) Program, an Airport Concession Disadvantaged Business Enterprise (ACDBE) Program, and Policy 5.12. These programs/policy are intended to promote the inclusion of small, local, service disabled/veteran owned small businesses, historically underrepresented businesses, and other business enterprises, on all contracts. Only one of the programs/policy named above can be used in any single contracting opportunity.

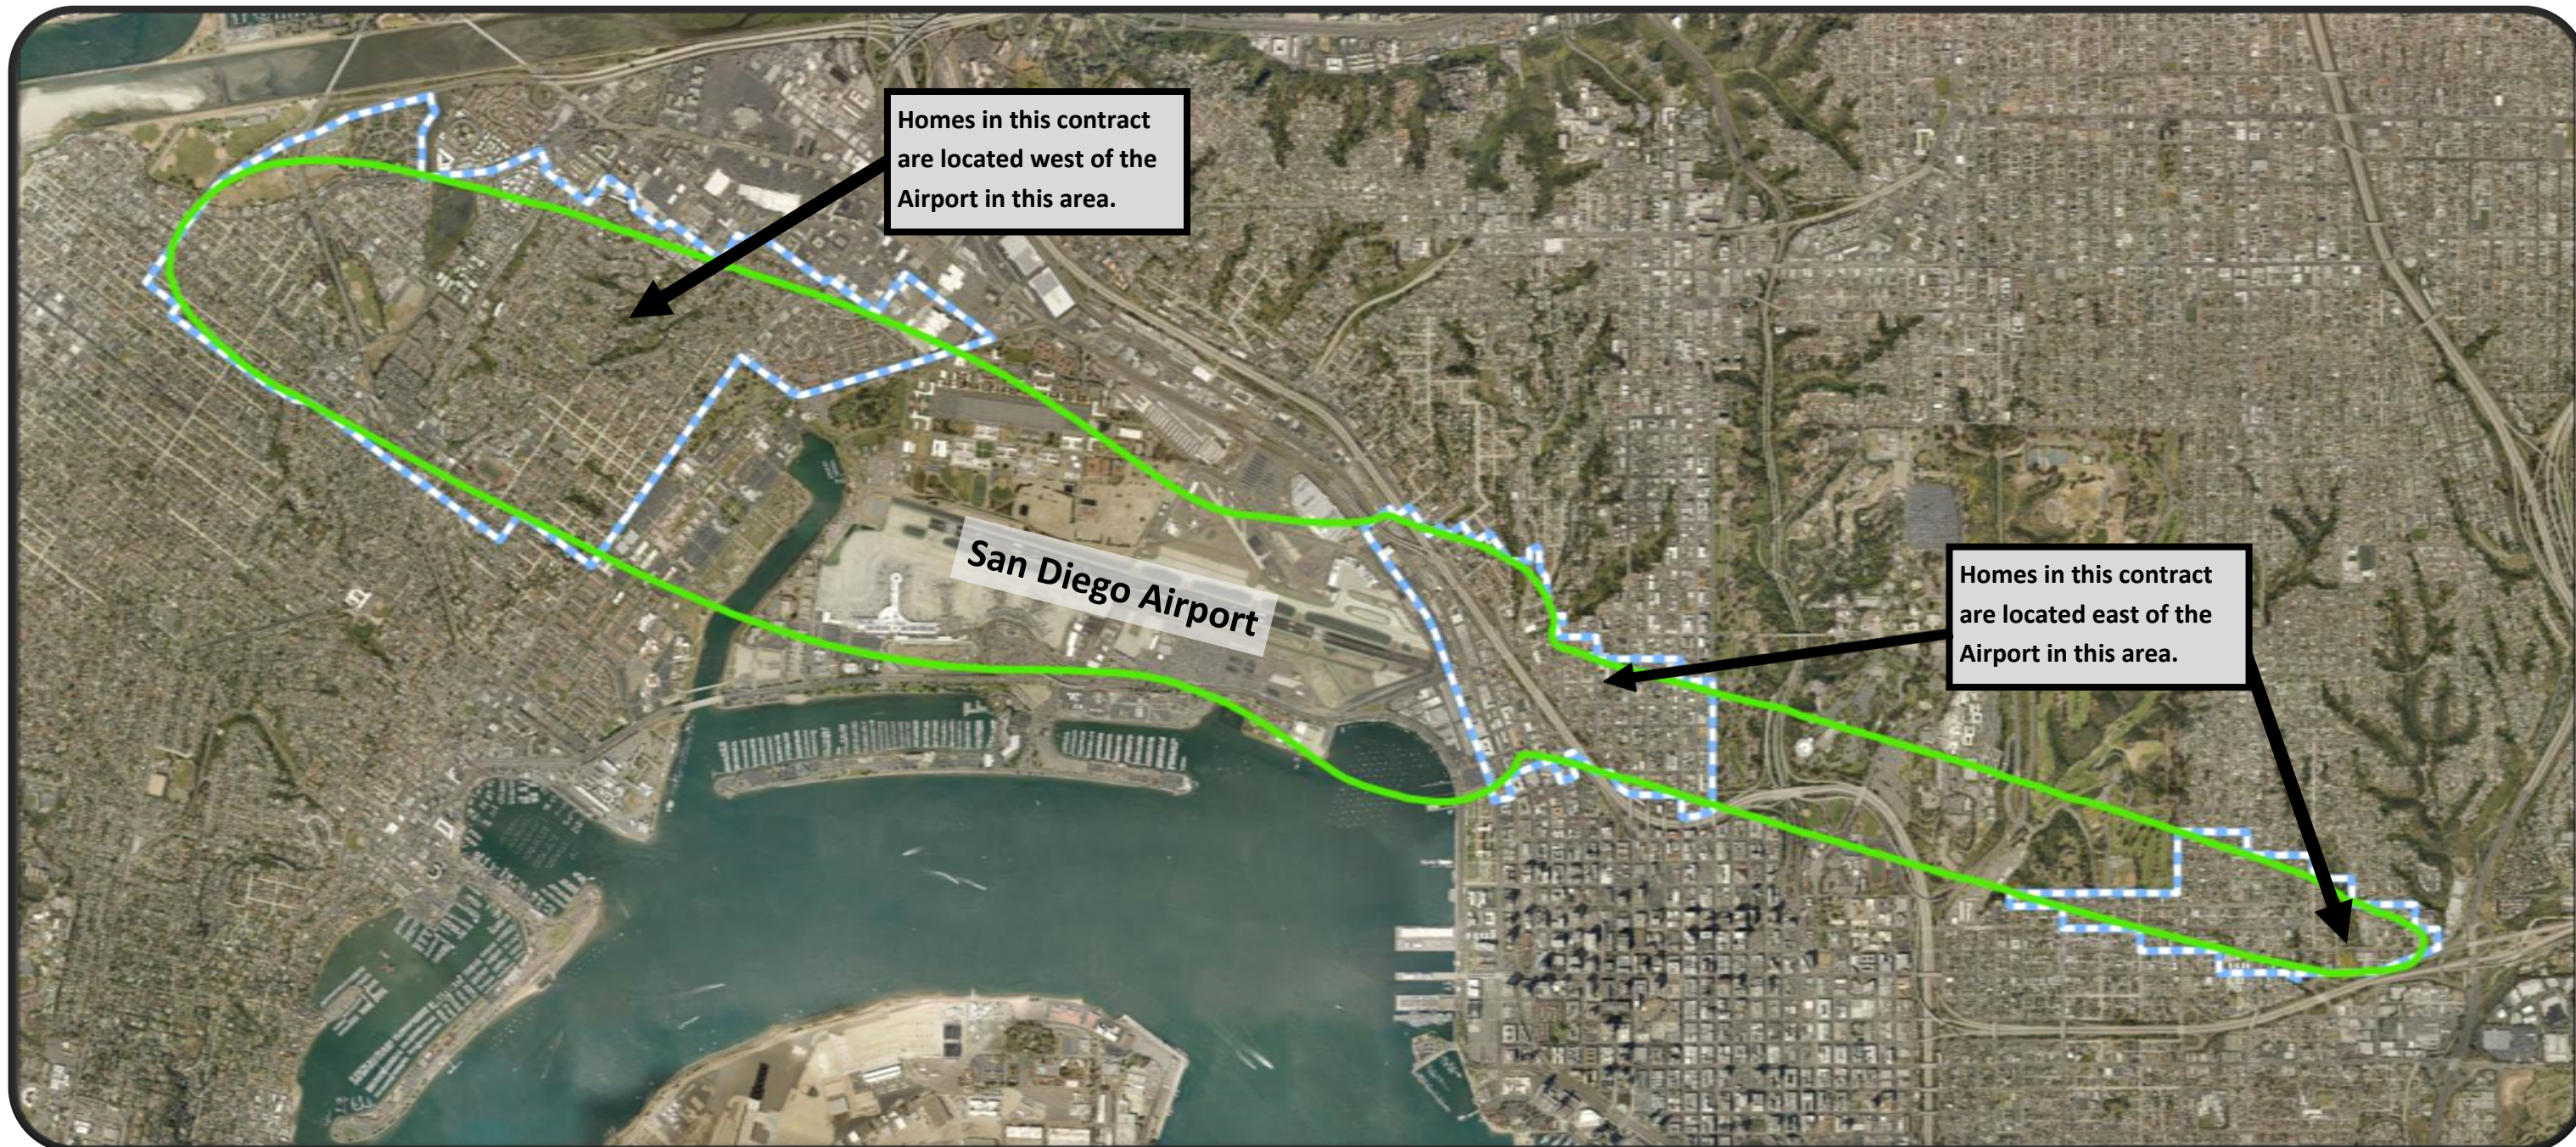

The Authority’s DBE Program, as required by the U.S. Department of Transportation, 49 Code of Federal Regulations (CFR) Part 26, calls for the Authority to submit a triennial overall goal for DBE participation on all federally-funded projects. When federal funds are utilized, the Authority is prohibited from using a program that provides a preference such as those used in Policy 5.12. Therefore, the Authority must utilize other means as provided in the DBE Plan to achieve participation.

This project utilizes federal funds; therefore, it will be applied toward the Authority's overall DBE goal. S&L Specialty Construction, Inc. proposed 2.6% DBE participation on QHP Phase 12, Group 7.

RESOLUTION NO. 2023-0024

A RESOLUTION OF THE BOARD OF THE SAN DIEGO COUNTY REGIONAL AIRPORT AUTHORITY, AWARDING A CONTRACT TO S&L SPECIALTY CONSTRUCTION, INC., IN THE AMOUNT OF \$1,487,182.00 FOR PHASE 12, GROUP 7, PROJECT NO. 381207, OF THE SAN DIEGO COUNTY REGIONAL AIRPORT AUTHORITY'S QUIETER HOME PROGRAM AND MAKING A FINDING THAT THE PROJECT IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT.

WHEREAS, the San Diego County Regional Airport Authority ("Authority") has established a residential sound insulation program, known as the Quieter Home Program ("Program"), to reduce aircraft noise levels in the homes of residents living within the highest noise-impacted neighborhoods surrounding San Diego International Airport ("Airport"); and

WHEREAS, Phase 12, Group 7, of the Program will include installation of new acoustical windows, doors, and ventilation improvements to reduce aircraft-related noise levels inside the homes; and

WHEREAS, Phase 12, Group 7, of the Program provides sound attenuation to thirty-four (34) single-family and multi-family units on twenty-five (25) non-historic residential properties located east and west of the San Diego International Airport; and

WHEREAS, the Authority issued a Bid Solicitation Package for Phase 12, Group 7, on December 13, 2022; and

WHEREAS, on January 17, 2023, the Authority opened sealed bids received in response to the Bid Solicitation Package; and

WHEREAS, the apparent low bidder, S&L Specialty Construction, Inc., submitted a bid of \$1,487,182.00 and the Authority's staff has duly considered the bid and has determined that S&L Specialty Construction, Inc. is responsible, and its bid is responsive in all material respects; and

WHEREAS, the San Diego County Regional Airport Authority Board (“Board”) believes that it is in the best interest of the Authority and the public that it serves to award S&L Specialty Construction, Inc., the lowest bidder, the contract for Phase 12, Group 7, upon the terms and conditions set forth in the Bid Solicitation Package.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby awards a contract to S&L Specialty Construction, Inc., in the amount of \$1,487,182.00 for Phase 12, Group 7, Project No. 381207, of the San Diego County Regional Airport Authority’s Quieter Home Program; and

BE IT FURTHER RESOLVED that the Authority’s President/CEO or designee is hereby authorized to execute and deliver such contract to S&L Specialty Construction, Inc.; and

BE IT FURTHER RESOLVED that the Authority and its officers, employees, and agents are hereby authorized, empowered, and directed to do and perform all such acts as may be necessary or appropriate in order to effectuate fully the foregoing; and

BE IT FURTHER RESOLVED that the Board of the San Diego County Regional Airport Authority finds that this is a “project” as defined by the California Environmental Quality Act (“CEQA”), Cal. Pub. Res. Code §21065, and that the individual Quieter Home Program projects are categorically exempt from the CEQA under Cal. Code Regs. §15301(f), “Existing Facilities.”

BE IT FURTHER RESOLVED that the Board finds that this action is a “development” as defined by the California Coastal Act, Cal. Pub. Res. Code §30106. This project under the Quieter Home Program will consist of treatments to single-family and multi-family dwellings. Improvements to single-family homes are exempt from coastal permit requirements under Cal. Pub. Res. Code §30610(a) and 14 Cal. Code Regs. §13250 – “Improvements to Single-Family Residences.” The proposed improvements to multi-family residences are exempt from coastal permit requirements under Cal. Pub. Res. Code §30610(b) and 14 Cal. Code Regs. §13253 – “Improvements to Structures Other than Single-Family Residences and Public Works Facilities that Require Permits.”; and

BE IT FURTHER RESOLVED that the Board finds that this action is a project that involves approvals or actions by the Federal Aviation Administration ("FAA") and, therefore, also requires review under the National Environmental Policy Act ("NEPA") for its potential environmental impacts. The FAA issued a Categorical Exclusion under NEPA on March 22, 2021 for these Quieter Home Program projects.

Staff Report

Meeting Date: March 2, 2023

Subject:

Approve and Authorize the President/CEO to execute an agreement for Investment Advisory Services to Chandler Asset Management, Inc.

Recommendation:

Adopt Resolution No. 2023- 0025, approving and authorizing the President/CEO to execute an agreement for investment advisory services to Chandler Asset Management, Inc. for a term of three years with two one-year options to extend the term with a maximum amount payable not-to-exceed \$1,900,000.

Background/Justification:

The Authority requires the services of an investment advisory firm to serve as a key advisor regarding the Authority's Investment Portfolio. The selected firm will provide a broad range of investment advisory services to the Authority including assistance with:

- Development of Investment Strategy
- Investment and valuation of Assets in Authority's investment portfolio
- Monitoring and analyzing market conditions and investments
- Reporting on all investment performance
- Review and recommendation of changes to Authority's Investment Policy (Policy 4.20)

Accordingly, in September 2022 Authority staff issued a Request for Proposals (RFP) for Investment Advisory Services. Thirty firms viewed the proposal; six proposals were received on October 12, 2022. A review panel comprising Authority Staff and a representative from the San Diego County Investment Pool was convened to evaluate the submissions. The three top respondents Chandler Asset Management, Inc; PFM, LLC; and Public Trust Advisors, LLC were invited for interviews which were conducted on January 25, 2023.

Each Panel member evaluated the firms' proposals and interviews. Panel members' scores were then summed for each criterion and the firms were ranked by total score (with the highest total score being ranked first). The final scoring matrix from the Panel is as follows:

Combined Final Scores	SB	Local	Vet.	Cost	Work Plan	Primary Staff Capabilities	Firm Experience and Skill	Reporting and Monitoring	Total
Chandler	120	0	0	300	680	1110	740	570	3520
PFM	0	0	0	300	620	990	660	465	3035
Public Trust	0	0	0	300	560	960	660	555	3035

Chandler Asset Management, Inc is an investment advisor firm with a targeted focus on the management of fixed-income portfolios for the public sector. The firm specializes in managing funds for public agencies who are guided by the objectives of preservation of principal, access to cash, and maximization of investment returns without undue exposure to risk. Working with 183 public agencies across the U.S. has given Chandler Asset Management unique perspective on helping transportation authorities and other local governments achieve their financial goals. The firm is a small business, headquartered locally in San Diego, has operated in this sector for over 34 years and currently manages nearly \$30.0 Billion in assets.

Fiscal Impact:

Adequate funding for Chandler Asset Management, Inc. Contract for investment advisory services is included in the adopted FY 2023 and conceptually approved FY 2024 Operating Expense Budgets within the Professional Services line item. For budget years that have not been adopted/approved by the Board this expense will be included in future year budget requests.

Environmental Review:

A. CEQA: This Board action is not a project that would have a significant effect on the environment as defined by the California Environmental Quality Act ("CEQA"), as amended. 14 Cal. Code Regs. §15378. This Board action is not a "project" subject to CEQA. Cal. Pub. Res. Code §21065.

B. California Coastal Act Review: This Board action is not a "development" as defined by the California Coastal Act. Cal. Pub. Res. Code §30106.

C. NEPA: This Board action is not a project that involves additional approvals or actions by the Federal Aviation Administration ("FAA") and, therefore, no formal review under the National Environmental Policy Act ("NEPA") is required.

Application of Inclusionary Policies:

The Authority has the following inclusionary programs and policy: a Disadvantaged Business Enterprise (DBE) Program, an Airport Concession Disadvantaged Business Enterprise (ACDBE) Program and Policy 5.12. These programs and policy are intended to promote the inclusion of small, local, service disabled/veteran owned small businesses, historically underrepresented businesses, and other business enterprises, on all contracts. Only one of the programs or policy named above can be used in any single contracting opportunity.

This contract does not utilize federal funds and provides limited opportunities for sub-contractor participation; therefore, at the option of the Authority, Policy 5.12 was applied to promote the participation of qualified small businesses, service disabled/veteran owned small businesses, and local businesses. Policy 5.12 provides a preference of up to seven percent (7%) in the award of selected Authority contracts. When bid price is the primary selection criteria, the maximum amount of the preference cannot exceed \$200,000. The preference is only applied in measuring the bid. The final contract award is based on the amount of the original bid.

In accordance to Policy 5.12, the recommended firm Chandler Asset Management, Inc. received small business preference but did not receive local business and service disabled/veteran owned small business preference.

Staff Report

Meeting Date: March 2, 2023

Subject:

Approve and Authorize the President/CEO to Negotiate and Execute Three On-Call Technical Airport Planning Services Agreements at San Diego International Airport

Recommendation:

Adopt Resolution No. 2023-0026, approving and authorizing the President/CEO to negotiate and execute three On-Call Technical Airport Planning Services agreements, one with Ricondo & Associates, Inc., one with Landrum & Brown, Inc., and one with Jacobsen-Daniels Associates, LLC, each for a term of three (3) years, with the option for two (2) one-year extensions, in a maximum total aggregate amount not-to-exceed \$7,000,000 in support of numerous airport planning and environmental review efforts at San Diego International Airport.

Background/Justification:

The On-Call Technical Airport Planning Services agreement provides essential on-call technical airport planning and environmental review consultant services to support the Airport Authority's Planning & Environmental Affairs Department. These services are necessary to address numerous airside, terminal, and landside projects at San Diego International Airport ("SAN"), as well as any related environmental analyses as required under the California Environmental Quality Act (CEQA), National Environmental Policy Act, or the California Coastal Act. These consultant services also support off-airport projects associated with airport land use compatibility planning around the region's sixteen airports and aircraft noise analysis. In addition, the contract provides analytical planning services support for other Authority departments' projects, especially Airside & Terminal Operations, Airport Design & Construction, Ground Transportation, and Revenue Management.

The current On-Call Technical Airport Planning Consulting Services agreements began May 1, 2019, and extend through April 30, 2023. Two firms (Ricondo & Associates, Inc. and Landrum & Brown, Inc.) were selected to perform the services and have completed tasks, to date, totaling approximately \$5.6 million dollars. Major tasks performed and completed under the current contracts include the following:

- Terminal 2 East Advanced Planning

- Northside Land Use Feasibility Study
- Parking Demand Analysis Update
- ADP Environmental Assessment (EA) Air Quality Analysis
- Fuel Farm Expansion Project - CEQA Services
- Letter of Intent (LOI) Application for New Terminal 1 Airfield Development Projects
- Airfield Congestion Assessment and Recommendations
- Passenger Intercept Survey

Based upon historic expenditure trends, it is estimated that the Authority could spend up to \$7.0 million over the five-year period to support anticipated airport planning and environmental review activities. Beyond unforeseen and ongoing projects, the following specific services will be needed over the next five-year period:

- Preparation of aviation activity forecast update;
- Preparation of airfield operational efficiency study;
- Update of 2011 Regional Aviation Strategic Plan ("RASP");
- State and federal environmental review of major projects and the capital improvement program, including Terminal 2 East modernization;
- Periodic traffic volume inventories on major roads and intersections surrounding the airport; and
- Continued flight procedures analysis related to aircraft noise.

On November 17, 2022, the Authority published a Request for Proposals ("RFP") to provide professional airport planning services. On January 4, 2023, the Authority received proposals from the following three entities, with all respondents being deemed a responsive:

- Ricondo & Associates, Inc.
- Landrum & Brown, Inc.
- Jacobsen-Daniels Associates, LLC

The evaluation criteria used to evaluate the firms was a weighted criteria of six factors, including: proposed fees (cost); prior company experience; experience of the company's primary staff; a proposed work plan and approach to potential contract assignments; sustainability; and small business preference under Authority Policy 5.12 (inclusionary).

The Authority's Evaluation Panel ("Panel"), which was comprised of three representatives from the Planning & Environmental Affairs Dept., one from Airside & Terminal Operations, and one from Airport Design and Construction, conducted a thorough review of all proposals.

All three of the firms were invited to interview on January 31, 2023, after which the firms were ranked as follows:

Ricondo & Associates, Inc.	750	1150	1575	660	215	190	4540

1. Ricondo & Associates, Incorporated
2. Landrum & Brown, Incorporated
3. Jacobsen-Daniels Associates, LLC

The firms selected by the panel were Ricondo & Associates, Inc. (“Ricondo”), Landrum & Brown, Inc. (“L&B”), and Jacobsen-Daniels Associates, LLC (“J|D”). All teams had excellent interviews, and each has unique qualities and previous work experience that are valuable. A brief background of the selected firms is provided below:

Ricondo & Associates, Inc.

The Ricondo team was given the highest score by the selection panel. The panel agreed that the Ricondo team had the widest breadth of knowledge on issues specific to San Diego International Airport and provided detailed insight on how their team could help the Authority address them. They have a local office in San Diego County and have historically provided quick response times to on-call airport planning assignments issued by the Authority.

Ricondo is a full-service aviation consultancy specializing in airport planning and business management services in support of airports and operators, airlines, and federal and state agencies. Over the last 34 years, Ricondo has delivered on-call planning services at airports throughout the United States, including San Diego International Airport.

Landrum & Brown, Inc.

The L&B team scored second highest by the selection panel. L&B has provided technical airport planning services for over 74 years to airports around the world, including San Diego International Airport. This includes recent terminal planning work on New Terminal 1 and Terminal 2 East.

L&B, as the world's oldest and largest pure aviation planning firm, has been involved in some of the most complex issues, helping clients evolve into state of the art, award-winning airports. For their proposal, L&B composed a multidisciplinary team that can provide all aspects of the requested aviation and environmental planning services requested, including master planning, environmental, airfield & airspace, business & finance, ground transportation, terminal planning, commercial development, and activation planning.

Jacobsen-Daniels Associates, LLC

The J|D team was scored third highest by the selection panel. Founded in 2001, J|D, is a DBE certified professional consulting services firm specializing in airport planning, implementation, and operations. Their professional experience includes terminal, landside, airside, airfield, transportation, and land use planning; strategic business plans; financial analysis; concessions and operational plans; construction management and implementation support. J|D also has extensive experience working directly with the Federal Aviation Administration (FAA) and currently serves as an on-call contractor to FAA-Headquarters, providing support in developing Advisory Circulars, policy, engineering, analysis, research support and other guidance.

Fiscal Impact:

Adequate funds for the two On-call Technical Airport Planning Services agreements are included in the Planning & Environmental Affairs Department's adopted FY 2023 and conceptual FY 2024 operating expense budget, or within the approved 5-Year Capital Improvement Program's budget, if applicable.

Authority Strategies/Focus Areas:

This item supports one or more of the following (*select at least one under each area*):

Strategies

- Community Strategy Customer Strategy Employee Strategy Financial Strategy Operations Strategy

Focus Areas

- Advance the Airport Development Plan Transform the Customer Journey Optimize Ongoing Business

Environmental Review:

- A. CEQA: This Board action is not a project that would have a significant effect on the environment as defined by the California Environmental Quality Act ("CEQA"), as amended. 14 Cal. Code Regs. §15378. This Board action is not a "project" subject to CEQA. Cal. Pub. Res. Code §21065.
- B. California Coastal Act Review: This Board action is not a "development" as defined by the California Coastal Act. Cal. Pub. Res. Code §30106.
- C. NEPA: This Board action is not a project that involves additional approvals or actions by the Federal Aviation Administration ("FAA") and, therefore, no formal review under the National Environmental Policy Act ("NEPA") is required.

Application of Inclusionary Policies:

The Authority has the following inclusionary programs and policy: a Disadvantaged Business Enterprise (DBE) Program, an Airport Concession Disadvantaged Business Enterprise (ACDBE) Program and Policy 5.12. These programs and policy are intended to promote the inclusion of small, local, service disabled/veteran owned small businesses, historically underrepresented businesses and other business enterprises, on all contracts. Only one of the programs/policies named above can be used in any single contracting opportunity.

The Authority's DBE Program, as required by the U.S. Department of Transportation, 49 Code of Federal Regulations (CFR) Part 26, calls for the Authority to submit a triennial overall goal for DBE participation on all federally funded projects. When federal funds are utilized, the Authority is prohibited from using a program that provides a preference such as those used in Policy 5.12. Therefore, the Authority must utilize other means as provided in the DBE Plan to achieve participation.

This project may utilize federal funds; therefore, it may be applied toward the Authority's overall DBE goal. No preferences were applied to the award of the On-Call Technical Airport Planning Services contract. Ricondo & Associates, Inc., Landrum & Brown, Inc., and Jacobsen-Daniels Associates, LLC each submitted an Inclusionary Outreach Plan identifying a list of subcontractors and has committed to working with the Airport Authority to maximize participation by small, disadvantaged, local, and veteran-owned small business on this contract.

RESOLUTION NO. 2023-0026

A RESOLUTION OF THE BOARD OF THE SAN DIEGO COUNTY REGIONAL AIRPORT AUTHORITY, APPROVING AND AUTHORIZING THE PRESIDENT/CEO TO NEGOTIATE AND EXECUTE THREE ON-CALL TECHNICAL AIRPORT PLANNING SERVICES AGREEMENTS, ONE WITH RICONDO & ASSOCIATES, INC., ONE WITH LANDRUM & BROWN, INC., AND ONE WITH JACOBSEN-DANIELS ASSOCIATES, LLC, EACH FOR A TERM OF THREE (3) YEARS, WITH THE OPTION FOR TWO (2) ONE-YEAR EXTENSIONS, IN A MAXIMUM TOTAL AGGREGATE AMOUNT NOT-TO-EXCEED \$7,000,000 IN SUPPORT OF NUMEROUS AIRPORT PLANNING AND ENVIRONMENTAL REVIEW EFFORTS AT SAN DIEGO INTERNATIONAL AIRPORT

WHEREAS, the On-Call Technical Airport Planning Services agreement provides essential on-call technical airport planning and environmental review consultant services to support the Airport Authority's Planning & Environmental Affairs Department; and

WHEREAS, these services are necessary to address numerous airside, terminal, and landside projects at San Diego International Airport ("SAN"), as well as any related environmental analyses as required under the California Environmental Quality Act (CEQA), National Environmental Policy Act, or the California Coastal Act; and

WHEREAS, these consultant services also support off-airport projects associated with airport land use compatibility planning around the region's sixteen airports and aircraft noise analysis; and

WHEREAS, the On-Call Technical Airport Planning Services agreements will provide analytical planning services support for other departments' projects, including Airside & Terminal Operations, Airport Design & Construction, Ground Transportation, and Revenue Management; and

WHEREAS, based upon historic expenditure trends, it is estimated that the Authority could spend up to \$7.0 million over the five-year period to support anticipated airport planning and environmental review activities. Beyond unforeseen and ongoing projects, the following specific services will be needed over the next five-year period:

- Preparation of aviation activity forecast update;
- Preparation of airfield operational efficiency study;
- Update of 2011 Regional Aviation Strategic Plan (“RASP”);
- State and federal environmental review of major projects and the capital improvement program, including Terminal 2 East modernization;
- Periodic traffic volume inventories on major roads and intersections surrounding the airport; and
- Continued flight procedures analysis related to aircraft noise; and

WHEREAS, on November 17, 2022, the Authority published a Request for Proposals (“RFP”) to provide professional airport planning services; and

WHEREAS, on January 4, 2023, the Authority received proposals from the following three entities, with all respondents being deemed as responsive:

- Ricondo & Associates, Inc.
- Landrum & Brown, Inc.
- Jacobsen-Daniels Associates, LLC; and

WHEREAS, the evaluation criteria used to evaluate the firms was a weighted criteria of six factors, including: small business preference under Authority Policy 5.12; proposed fees; prior company experience; experience of the company’s primary staff; a proposed work plan and approach to potential contract assignments; and sustainability; and

WHEREAS, the Authority’s Evaluation Panel (“Panel”), which was comprised of three representatives from the Planning & Environmental Affairs Dept., one from Airside & Terminal Operations, and one from Airport Design and Construction, conducted a thorough review of all proposals and interviewed all proposers; and

WHEREAS, the firms selected by the Panel were Ricondo & Associates, Inc., Landrum & Brown, Inc., and Jacobsen-Daniels Associates, LLC.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby approves and authorizes the President/CEO to negotiate and execute three On-Call Technical Airport Planning Services agreements, one with Ricondo & Associates, Inc., one with Landrum & Brown, Inc., and one with Jacobsen-Daniels Associates, LLC, each for a term of three (3) years, with the option for two (2) one-year extensions, in a maximum total aggregate amount not-to exceed \$7,000,000 in support of numerous airport planning and environmental review efforts at San Diego International Airport; and

BE IT FURTHER RESOLVED that the Authority and its officers, employees, and agents hereby are authorized, empowered, and directed to do and perform all such acts as may be necessary or appropriate in order to effectuate fully the foregoing resolution; and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “project” as defined by the California Environmental Quality Act (“CEQA”) (California Public Resources Code §21065); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a “development” as defined by the California Coastal Act (California Public Resources Code §30106); and

BE IT FURTHER RESOLVED that the Board finds that this action is not a project that involves additional approvals or actions by the Federal Aviation Administration (“FAA”) and, therefore, no formal review under the National Environmental Policy Act (“NEPA”) is required.

Next steps:

Passengers traveling without check-in items

Customers traveling without check-in items may bring their documents and proceed directly to a T.S.A. Security Checkpoint for entry to the secure airport departure gate areas. Arrive at the airport 1.5 hours (or more) before departure, and ensure that any carry-on items comply with our current policies. Please also verify your departure information upon arrival as things do occasionally change on short-notice, and be aware that at peak times, lines for T.S.A. security screening can get long. Please plan accordingly. For more information: HawaiianAirlines.com

Passengers traveling with check-in items

Customers with check-in items should proceed to our check-in lobby to process baggage, and will first need to scan their barcode at a Self-Service Kiosk inside the lobby in order to print documents. Baggage will then be tagged and delivered to a drop point for acceptance. Arrive 1.5 hours (or more) before the scheduled departure, and ensure that any carry-on items comply with our current policies. Please also verify your departure information upon arrival as things do occasionally change on short-notice, and be aware that at peak times, lines for T.S.A. security screening can get long. Please plan accordingly. For more information: HawaiianAirlines.com

Baggage must be checked-in at least 45 minutes before flight departure.

* Kim's Alaska Air flight was cancelled. Hawaiian Air transferred the ticket - kim was issued a Boarding Pass at the counter but not a new ticket. I confirmed with Scott Mackerley at Travel Trust that this was an equal exchange with no additional cost.

Subject: APPROVAL REQUEST - Kim Becker, Rental Car Request

Hi Gil,

Kim will be attending the AAAE Aviation Issues Conference on January 7th through January 12th. Because of the distance of the hotel from the airport (1 hour, 10 minutes) and needing to move from place to place for the various meetings and receptions, it would be easier for Kim to have a rental car rather than constantly using an Uber/Lyft. If you agree, would you please approve Kim using a rental car for this conference? I've attached the Conference Confirmation Letter, which will give you an idea of her schedule during the conference.

Also, FYI, because Kim is a member of the AAAE Policy Review Council (which will be meeting during this conference), AAAE will be reimbursing the Authority for Kim's hotel and airfare expenses.

Thanks and take care, Di

2022-2023 AAAE LEADERSHIP TRAVEL ACCOUNT POLICY

Board of Directors, Policy Review Council (PRC), Committee Leaders, and Board of Examiners

It is expected that each AAAE Board member, Policy Review Council (PRC) member, Committee Chair, Co-Chair, Vice Chair and Board of Examiner (BOE) member have the support of their airport to the maximum extent possible for the time and travel expenses required for leadership service in AAAE.

However, AAAE recognizes that airport employers may not be able to cover all the travel expenses to attend certain official events. It is for that reason that AAAE provides an annual travel account – starting after the 94th Annual AAAE Conference & Exposition (held June 5-8, 2022, in Seattle, WA) and ending with the following year's 95th Annual Conference & Exposition (to be held June 3-5, 2023, in Denver, CO)

*\$5,000 to each Board and PRC member (including Chapter Presidents, who are part of the PRC during their year as Chair of their respective chapter)

*\$1,500 to Committee Leaders (Chairs, Co-Chairs, and Vice Chairs) who are not on the Board or PRC

*\$4,500 for the Board of Examiners (BOE) to participate in BOE meetings, AAAE conferences where BOE meetings are scheduled and to travel to administer a test or participate in interviews

Per recommendations of the AAAE auditors and the AAAE Audit Committee, and as approved by the Executive Committee, the travel account may only be used for air fare, ground transportation, and hotel lodging expenses for attendance at AAAE Board & PRC Meetings and other pre-determined eligible AAAE conferences that require your attendance due to committee meeting taking place or international meetings. The travel form for each conference will include the official reimbursable travel dates.

Travel accounts may not be used for conference registration fees. As such, the airport employer or individual member is responsible for paying conference registration fees. The IRS does allow for registration fees for educational conferences to be tax deductible. The specifics of this deduction are defined in IRS publication 463 <http://www.irs.gov/pub/irs-pdf/p463.pdf>, with conventions defined on page 9.

For reimbursement of allowable travel expenses, please complete and send the attached form and all applicable receipts to Erin O'Connor, at erin.oconnor@aaae.org. **Please note that your travel must have occurred before AAAE will issue reimbursements.** For questions, contact Jacky Sher Raker at jacky.sherraker@aaae.org or 703.575.2472.

Hi Gil,

Because of the timing of this conference, the next Executive/Finance Committee Meeting (12/22), and the early-bird registration deadline, may I ask you to pre-approve Kim's attendance at this ACI CEO Forum in Santa Monica in February? If you approve, you can send me a note through email. I will still submit this for Board approval at the December Executive/Finance Committee Meeting.

Subject: RE: China Lake Airport Visit

Good morning CAPT Scott,

Is there an updated tentative schedule for the morning visit? I will standby to update the new meeting maker. I left both the morning and afternoon place holders on the calendar until I got a confirmation of schedule. Thank you for the updates. Much appreciated. Standing by.

Hi ClairAnn-

The time was adjusted to the morning by CAPT Ben Wainwright to accommodate Ms. Becker and team. He sent a calendar invite. Thanks for your patience and flexibility.

Very Respectfully,

CAPT Laurie Scott, PE

Good afternoon CAPT Scott,

If the morning of April 26th works better that would work for us as well. Please let me know if it would help to move the meeting maker to the morning. I will put a place holder in the morning and keep everything as is until I hear otherwise.

Clairann-

If morning works better please let us know. You can do a day trip or flying in for a few hours maybe an option too.
