

SAN DIEGO COUNTY
REGIONAL AIRPORT AUTHORITY
STAFF REPORT

Item No.
5

Meeting Date: **JULY 7, 2011**

Subject:

Notification of Board Member Weighted Vote Point Allocation as Required by Section 170014 of the Public Utilities Code

Recommendation:

Receive the report.

Background/Justification:

Pursuant to Section 170014 of the Public Utilities Code and Authority Policy 1.30 (12), all votes of the Board to adopt an ordinance, resolution or motion require both a numerical and a weighted majority vote of the total voting membership of the Board. The allocation of vote points pursuant to this subdivision shall be based upon the population calculations made by the San Diego Association of Governments.

NUMERICAL MAJORITY (TALLY VOTE)

A numerical majority requires an affirmative vote of at least five members of the voting membership of the Board.

WEIGHTED MAJORITY (WEIGHTED VOTE)

A weighted majority requires an affirmative vote of Board Members controlling at least 51 of a total of 100 vote points that are allocated among the Board Members.

No jurisdiction may be allocated more than 40 vote points or less than one vote point. There are no fractional vote points. The vote points for the City of San Diego are to be divided as equally as possible among its three Board Members (presently 14, 13 and 13 respectively). The Mayor of the City of San Diego makes the determination of which City representation is assigned each vote point allocation. The vote points for the County of San Diego are to be divided as equally as possible (presently 8 and 8 respectively) and allocated by the Chair of the County Board of Supervisors.

000041

Using the population calculations made by SANDAG, the current allocations are as follows:

City of San Diego	Robert H. Gleason	14 points
City of San Diego	Bruce R. Boland	13 points
City of San Diego	Anthony K. Young	13 points
North County Coastal	Lloyd Hubbs	12 points
North County Inland	Jim Desmond	12 points
South County	Tom Smisek	12 points
East County	Jim Panknin	8 points
County of San Diego	Greg Cox	8 points
County of San Diego	Paul Robinson	8 points

In comparison with the previous year's vote allocation, North County Coastal has decreased one point; and South County has increased one point.

The vote points are allocated to individual board members. Regardless of the number of members in attendance, or the fact that a quorum is present, or that five members voted for an agenda item, an item requires 51 vote points and the affirmative vote of five members to pass.
