1.2 AUTHORITY

A. Ownership and Operation

B. Delegation of Authority

Authority Code § 1.10 (a). Whenever a power is granted to, or a duty is imposed upon the President/CEO by the provisions of this Code, such power or duty may be exercised or performed by an assistant or such person as the President/CEO may designate.

(b). The President/CEO, in the event of a disaster or emergency, may order all occupants to leave the facilities and airports under the jurisdiction of the Authority,

or portions thereof, and prevent access to such areas for such time as may be necessary to assure the safety of the public and employees.

(c). The President/CEO, in the event of a disaster or emergency may close or restrict the use of all airport roadways to vehicular traffic in the interest of public safety.

4.6 STORM WATER COMPLIANCE

The Airport Authority Board has adopted the SDCRAA Code Sections 8.70 to 8.79, known as the SDCRAA Storm Water Management and Discharge Control ("Storm Water Code"). The Storm Water Code sets forth uniform requirements and prohibitions for dischargers and places of discharge to the storm water conveyance system and receiving waters necessary to adequately enforce and administer all laws, standards, orders and special orders that provide for the protection, enhancement and restoration of water quality. The Storm Water Code applies to all tenants, persons and places located on property within the Authority's jurisdiction that discharge storm water or non-storm water into any storm water conveyance system or receiving waters. Any tenant violating any of the provisions or failing to comply with the mandatory requirements of the Storm Water Code is subject to enforcement action.

There is a wide variety of airport, airline, aircraft, and ground support-related activities conducted at the Airport that are subject to the requirements of one or both of the following National Pollutant Discharge Elimination System (NPDES) storm water permits:

San Diego International Airport Rules and Regulations

- State Water Resources Control Board Water Quality Order No. 97-03-DWQ, National Pollutant Discharge Elimination System (NPDES) General Permit No. CAS000001, Waste Discharge Requirements for Discharges of Storm Water Associated with Industrial Activities Excluding Construction Activities (“General Industrial Permit”), as amended, modified, revised, or re-issued; and

Z. Ground Transportation Vehicle Conversion Incentive-Based Program

To meet certain commitments set forth in the May 5, 2008 Memorandum of Understanding with the California Attorney General pertaining to the management of greenhouse gas emissions, the Authority adopted the Ground Transportation Vehicle Conversion Incentive-Based Program ("Incentive Program") to incentivize applicable commercial ground transportation service providers operating at the airport to convert their current vehicles to electric, alternative fuel vehicles (AFVs) or to clean air vehicles (CAVs). The goal of this Incentive Program is to convert 100% of the applicable public commercial ground transportation vehicles operating at the Airport to AFVs or CAVs by 2017.

The Incentive Program is applicable to all eligible airport-permitted commercial ground transportation operators. These ground transportation service providers include, taxicabs, Transportation Network Companies (TNCs), vehicles for hire, hotel/motel shuttles, and off-airport parking shuttles. Limousines and charter vehicles (TCP licensed only) are exempt from all airport clean air vehicle conversion objectives, plans, incentives and requirements.

The President/CEO shall have the authority to suspend or cancel the Incentive Program at any time.

1. Standardized Age Replacement

Regulations:

- a. No ground transportation vehicle shall be operated at the airport where the model year of said vehicle exceeds ten (10) years old.
- b. Any ground transportation vehicle with a model year between seven (7) and ten (10) years old must meet the Authority's annual inspection requirements.

2. Hotel/Motel Shuttle Consolidation Incentive Program

If a hotel/motel elects to utilize an AFV or CAV and consolidates its shuttle services with one or more hotel or motel, the Authority will reduce the percentage of its fees as follows.

Operators	Reduction in fees and charges
2 to 3	50%
4 to 5	75%
6 plus	100%

The discounted rate would only apply to the dedicated AFVs or CAVs providing the courtesy service, not the entire fleet of vehicles owned and operated by the provider.

3. Conversion Incentives

The Authority may offer incentives or other programs to ground transportation service operators that use AFVs or CAVs. The incentives and other programs are approved by the Authority’s Board of Directors. Contact the Ground Transportation Department for details.

4. Non-Conversion Fees

The Authority may levy fee increases for non-alternative fuel or non-clean air commercial vehicles operating at the airport. These fees are approved by the Authority’s Board. Contact the Ground Transportation Department for details.

SECTION 6

Regulations:

1. Individuals who receive a Notice of Violation may submit a written "Letter of Explanation" to the issuing Authority Department within five (5) business days after receipt of a Notice of Violation. Within ten (10) business days after issuance of a Notice of Violation, the issuing Authority Department will do all of the following: (1) determine whether to confirm the Notice of Violation; (2) determine the administrative penalty imposed, if any; and (3) issue a decision letter with findings advising the recipient of these determinations. The Notice of Violation findings and any suspensions, revocations, or other administrative penalties may be appealed in writing to the Vice President, Operations or his/her designee within ten (10) business days of the date the decision letter is issued. Any request for appeal shall state the basis of the appeal and outline supporting facts. If an appeal is not filed within the ten (10) days, the suspension, revocation or administrative penalty shall become effective and any appeal filed thereafter may be denied.

The Vice President, Operations or his/her designee may, without a hearing, immediately reverse an appealed suspension, revocation or administrative penalty based on the appeal, the notice of violation, and/or any other supporting documents.

2. When an appeal is timely filed, the appeal shall be assigned to the Vice President, Operations or his/her designee as a hearing officer. The matter shall be heard no later than sixty (60) calendar days from the date of receipt of the request for appeal. The hearing shall be conducted as an informal administrative proceeding with the rules of evidence relaxed from strict judicial practice; e.g., hearsay evidence may be admissible. All parties may be represented by legal counsel, witnesses shall be sworn and be subject to cross-examination, and cumulative or repetitive evidence may be excluded.

The hearing officer may uphold the suspension, revocation or administrative penalty specified in the notice of violation or reverse or modify the decision which is the subject of the appeal, or make a different decision. The written decision of the hearing officer shall contain findings of fact and state reasons for the decision. A copy of the decision shall be sent to or personally served upon the parties within ten (10) business days of the conclusion of the hearing.

3. The decision of the hearing officer may be appealed in writing to the President/CEO within fifteen (15) business days from the date the hearing officer's decision is sent or personally served. The decision of the President/CEO shall be based on the documents considered by the hearing officer. The President/CEO may uphold the suspension, revocation or administrative penalty or reverse or modify the decision which is the subject of the appeal, or make a different decision.
4. The decision of the President/CEO shall be the final administrative remedy. There shall be no rehearing or reconsideration. The final decision shall be subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6.
5. When a timely appeal has been filed, the suspension, revocation or administrative penalty shall be stayed pending the decision(s) of the hearing officer and/ or the President/CEO. However, when, in the opinion of the Authority, there is a clear and immediate threat to public safety, the Authority may enforce a suspension or revocation prior to a hearing being held. The penalized party may then request a hearing from the Authority within ten (10) business days from the date notice that the suspension or revocation is not stayed has been sent or personally served. If no expedited hearing is requested, the appeal shall proceed in the ordinary course and the suspension or revocation shall remain in effect pending the outcome of the appeal process.

B. Suspension, Revocation and Denial of Ground Transportation Permits and Services

Authority Code § 9.22 (a) The President/CEO or his or her designee (the "President/CEO") of the San Diego County Regional Airport Authority (the "Authority") shall suspend, revoke or deny the Ground Transportation Service Permit or driver permit, as applicable, for failure to comply with any of the provisions of Sections 9.01 to 9.13, inclusive, of this Code pertaining to ground transportation services. Any such suspension or revocation shall be separate from any civil or criminal proceedings and shall not be a basis for relief of liability or responsibility pursuant to the proceedings. The action of the President/CEO shall be subject to the appeals provisions provided herein.

(b) Upon a determination by the President/CEO that a Permit Holder, operator of a vehicle or Taxicab, or applicant falls within the provisions of subsection (a) above, the Permit Holder or applicant, as the case may be, shall be notified of the suspension, revocation or denial and the manner in which such action may be appealed.

(c) The Permit Holder or applicant shall be notified that they may file a written appeal with the President/CEO. Each appeal must be perfected by a letter addressed to the President/CEO and delivered to the Authority Clerk, or postmarked with the United States Postal Service, within ten business days of the date notice of the decision of the President/CEO addressed to the party making the appeal is placed with the United States Postal Service, which letter of appeal must state that an appeal from the decision of the President/CEO is desired. If no appeal is filed within the said ten days, it shall be grounds to deny a hearing and any untimely filed appeal shall be dismissed by the Hearing Officer. A suspension or revocation shall immediately become effective if an appeal is not timely filed within the ten business days. If an appeal is timely filed, the revocation or suspension shall be stayed pending the final determination of the appeal. In the event the permit, which is the subject of the action, expires and a new permit is issued to the same operator prior to the suspension or revocation taking effect and being fully carried out, or prior to final decision on appeal, the new permit shall be issued conditioned upon and shall be subject to the pending suspension or revocation. If no appeal is taken, said new permit shall be so suspended or revoked. If on appeal and suspension or revocation is the final decision, the new permit shall be so suspended or revoked. There shall be no requirement for further notice or hearing regarding the new permit.

(d) When an appeal is timely filed, the President/CEO shall cause the appeal to be assigned to a Hearing Officer. The matter shall be heard no later than 60 calendar days from the date of the filing of the appeal. The Hearing Officer shall notify the parties in writing of the time, date and place of the hearing. The notice shall be sent to the appellant by registered or certified mail, or hand-delivery. The Hearing (the "Hearing") is an informal administrative proceeding with the rules of evidence relaxed from strict judicial practice. In that regard, hearsay evidence is admissible. All parties may be represented by legal counsel, witnesses shall be sworn and be subject to cross-examination, and cumulative or repetitive evidence should not be admitted. The Hearing Officer may subpoena witnesses and establish additional procedures within the provisions of California Government Code Sections 11507.5 through 11511 and as may be required to serve the interest of justice. The Hearing Officer may uphold the suspension, revocation or denial or reverse or modify the decision which is the subject of the appeal, or make a different decision. A copy of the decision of the Hearing Officer specifying findings of fact and reasons for the decision shall be furnished to the parties within ten business days of the conclusion of the Hearing.

(e) The final decision of the Hearing Officer shall be the final administrative remedy. There shall be no rehearing or reconsideration. The final decision shall be subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6.

(f) An exception to the hearing provisions above shall be made when, in the opinion of the Authority, there is a clear and immediate threat to the safety and protection of the public, the Authority may suspend or revoke a permit prior to a Hearing being held. The Authority shall prepare a written notice of suspension or revocation which includes a statement of the action, a concise explanation of the reasons for the action, the statutory basis relied upon for such action, and an explanation of the Permit Holder's right to request a Hearing from the Authority. Such notice shall be either sent by certified mail to the Permit Holder or be personally delivered.
