

## EXPRESSIVE ACTIVITIES PERMIT APPLICATION

### GENERAL

The San Diego County Regional Airport Authority (SDCRAA) manages and operates San Diego International Airport (SDIA). In order to ensure SDIA safety, security and operational requirements are not compromised; guidelines for expressive activities (“Expressive Activities”) have been established. Certain Expressive Activities, as defined below, are regulated at SDIA with respect to their time, place and manner.

### PURPOSE OF EXPRESSIVE ACTIVITY AREAS

Pursuant to Article 8, Part 8.4, Section 8.40 of the SDCRAA Code, the President/Executive Director has designated the areas (“Expressive Activity Areas”) of SDIA property where Expressive Activities may be conducted.

The following Expressive Activities are regulated on SDIA property and may only be conducted by permit holders at the designated exterior locations depicted on the attached diagrams:

- A. Soliciting and/or receiving alms;
- B. Soliciting and/or receiving funds;
- C. Conducting surveys and/or soliciting information from the general public;
- D. Conducting and/or participating in any parading, picketing, marching, patrolling, demonstrating, and/or assembling; and
- E. Seeking petition signatures.
- F. Distributing any literature, pamphlets, or other printed material.

The following activities are regulated on SDIA property and may only be conducted by permit holders at the designated interior desks depicted on the attached diagrams:

- A. Conducting or participating in any speech making and/or proselytizing;
- B. Carrying, displaying, or causing to be displayed any signs or placards; and
- C. Distributing any literature, pamphlets, or other printed material.

The following activities are expressly prohibited: (i) use of amplification devices (i.e., bullhorns, microphones, speakers, boom boxes, karaoke machines, etc.); (ii) use of drums and other noise makers; (iii) commercial sales activities; and (iv) commercial advertising.

Until the President/Executive Director directs otherwise, the designated Expressive Activity Areas are the only areas of SDIA property on which Expressive Activities may be conducted. Any individual or group engaging in Expressive Activities outside of the designated Expressive Activity Areas will be advised to cease the Expressive Activities. Failure to comply may constitute a misdemeanor in accordance with SDCRAA Code Section 8.40(f).

### EXPRESSIVE ACTIVITIES PERMIT APPLICATION SUBMITTAL PROCESS

The SDCRAA Airside and Terminal Operations Department (Airside & Terminal Ops) is responsible for the coordination of Expressive Activities at SDIA. Airside & Terminal Ops will process all applications and issue Expressive Activities Permits for all related activities conducted on SDIA property.

a. **Expressive Activities Application**

Complete and submit the Expressive Activities Application Form included herein in its entirety at least five (5) business days prior to the requested date(s) for an Expressive Activity Area(s).

b. **Signed Permit**

The Expressive Activities Permit must be signed by an authorized representative of SDCRAA in order to be valid. No Expressive Activity Area is reserved without issuance of an Expressive Activities Permit.

## ADDITIONAL INFORMATION

1. An Airside & Terminal Operations Coordinator (“TOC”) will review the application to establish the full scope of the request and determine its impact on SDIA operations.
2. The TOC will attempt to issue an approved Permit within five (5) business days from the date of application receipt, unless there is a problem with the application or a prior Permit for the same time period has been issued and the activities authorized by that Permit do not reasonably allow multiple occupancy of the available Expressive Activity Areas. Unless the proposed activity or materials are unlawful, disruptive to operations or obscene, no Permit shall be denied based on content.
3. A limited number of Permits may be issued at any one time. Those granted a Permit would be restricted to the designated area(s) as noted on the issued Permit. Permits for a particular Expressive Activity Area are prioritized on a first come, first served basis.
4. When more applications for Permits are received than may be accommodated, the Authority may impose reasonable and equitable restrictions as to allowable dates or hours or numbers of participants as may reasonably be required to provide fair opportunities as equally as possible for all applicants, while ensuring the effective and efficient operation of SDIA.
5. The submission of an application for an Expressive Activities Permit does not guarantee an applicant space on SDIA property to conduct Expressive Activities. When available space is exhausted, the conduct of Expressive Activities may be curtailed.
6. Any Applicant denied a Permit, or Permittee whose Permit is revoked may appeal the decision to the President/Executive Director of SDCRAA within ten (10) days of the denial or revocation. The appeal must be in writing. The President/Executive Director will respond within ten (10) days of receipt of the appeal. If the appeal to the President/Executive Director is denied, the Applicant/Permittee may appeal, in writing, to the SDCRAA Board of Directors within ten (10) days of the denial. All decisions of the SDCRAA Board of Directors shall be final.

7. A copy of SDCRAA's standard Expressive Activities Permit is attached. The Expressive Activities Permit is not effective until fully executed by the Applicant/Permittee and an authorized representative of SDCRAA.
8. Under normal circumstances, Expressive Activities Permits are valid for a maximum of ninety (90) days from the date of issuance for the purpose of solicitation activities described in the application process.

If you have any questions about the application and/or process, please call the Airside and Terminal Operations Administrative Assistant at 619-400-2451.
