

Title VI Complaint Procedure and Policy Statement

Policy Statement:

Pursuant to its Policy 8.10, it is the intent of the San Diego County Regional Airport Authority (“Authority”) to provide access to San Diego International Airport (“SDIA”) and the services associated with its operation to persons with disabilities in accordance with Title II of the Americans with Disabilities Act (ADA) of 1990. Oversight of compliance activities is the responsibility of the Title VI Coordinator, and all inquiries concerning the Authority's efforts to make SDIA, and the services associated with the operation of SDIA accessible to persons with disabilities should be directed to the Title VI Coordinator.

The Authority has established, pursuant to Title II, Section 35.107 (b) of the ADA, the following formal Complaint Procedure (“Complaint Procedure”) to be used by persons to allege a complaint or a violation of the ADA. Individuals are not required by federal regulations to use this Complaint Procedure and may file complaints directly with the appropriate enforcement agency. Under the Complaint Procedure, any individual who believes they have encountered discrimination based on disability or a violation of the Americans with Disabilities Act (ADA) within our services, activities, or programs is entitled to file a complaint. The filing of a complaint pursuant to the Complaint Procedure shall not constitute a claim pursuant to California Government Code Section 900, et seq.
